## Group Ticker Plant (GTP) – Release 1.4.6.0 Customer Dress Rehearsal (CDR) Reminder

The purpose of this Service Announcement is to remind customers that the Group Ticker Plant (GTP) Customer Dress Rehearsal (CDR) for release 1.4.6.0 will take place on **Saturday 27 March 2021**.

Attendance to the Dress Rehearsal is mandatory as release 1.4.6.0 introduces a number of new fields to the Trade, MiFID II Trade, MiFID II Trade Report and MiFID II Trade Cross messages which has increased the message length for those messages. Full details of changes can be found on the GTP Documentation [website](#), under the 'GTP Next Functional Releases' section.

London Stock Exchange (Release 9.6.0), Turquoise and TRADEcho production environments will be available on the day. Market Data will also be generated for all markets to facilitate customer testing. Further details will be published in the Customer Dress Rehearsal guide that will be published shortly detailing the plans for the day.

Customers are required to register their participation to the Dress Rehearsal by contacting their Technical Account Manager or the Technical Account Management team at [londontam@lseg.com](mailto:londontam@lseg.com).

It is a requirement for all customers of GTP to self-certify their GTP software before attending the CDR and to contact the Technical Account Management team for sign off.

Subject to internal testing and customer readiness, production go-live for 1.4.6.0 is expected for Monday 12 April 2021.
