Section 1: Introduction

1.1 Overview

This document sets out the rules and responsibilities in relation to a company's **admission to trading** and ongoing disclosure obligations for companies seeking **admission**, or already **admitted**, to trading on the **Exchange's** markets and additional requirements for **designations**.

Defined terms are in bold and definitions can be found in the Glossary.

References to times shall mean London time.

The rules include guidance, which can be located directly below the rule, in italics. From time to time, the **Exchange** may also issue separate guidance notes on specific issues which may affect certain companies.

The rules for trading **securities** are set out in the "Rules of the London Stock Exchange".

1.2 Purpose

The **Exchange** operates a **regulated market** and two **MTFs**, which are registered with the **FCA**. The **Main Market** is the **Exchange's regulated market** and includes **issuers admitted to trading** on the **Official List** and the **Specialist Fund Segment**. The **Exchange's MTFs** include **AIM** and an **MTF** on which all other **MTF securities** are traded, including **ISM**, the **Professional Securities Market** and **ATT Only securities**.

The **Exchange** is a **Recognised Investment Exchange** under **UK** law. This means the **Exchange** must ensure that all **securities admitted to trading** on its markets, and all dealings in those **securities** are conducted in accordance with the primary and secondary market regulatory obligations set out in the **FCA's** sourcebook for **Recognised Investment Exchanges**. This requires minimum standards to be placed upon companies seeking to have their **securities admitted to trading**.

In developing the **Standards**, which are set out in this document, we have applied the following principles:

- to provide companies which meet the **admission** requirements with access to the **Exchange's** markets;
- to promote investor confidence in the markets we operate;
- to maintain the quality and attractiveness of the **Exchange's** markets to companies and investors;
- to operate proper and orderly markets; and
- to minimise any overlap with the rules of an **issuer's competent authority**.

1.3 Scope

The **Standards** apply to **issuers** on the **Exchange's** markets but do not apply to:

- **AIM** (other than Schedule 7 in relation to the Voluntary Carbon Market **designation**); or
- **ISM** (other than the compliance procedures set out at Section 5).

The **Standards** do not apply to the **Private Securities Market** which is a **PISCES**.

The **Standards** also apply to an **issuer** with a prospectus approved by an **EEA competent authority** passporting to the **UK** for **admission** of its **securities** to a **regulated market** (with or without an application for the **Official List**), in accordance with the transitional provisions in Part V of the Official Listing of Securities, Prospectus and Transparency (Amendment) (EU Exit) Regulations 2019.

Where **transferable securities** (which have been **admitted to trading** on a **regulated market**) are **admitted to trading** on a **MTF** or the **regulated market** operated by the **Exchange**, without a request from the **issuer**, the **Exchange** does not require the **issuer** to demonstrate compliance with the initial, ongoing or ad hoc **disclosure obligations** set out in the **Standards** or the disclosure obligations defined in paragraph 92B of the **Recognition Requirements Regulations**.

For many **issuers**, a two-stage **admission** process will apply to companies who want to have their **securities admitted to trading** on the **Exchange's** markets, which will involve the **securities** being admitted to **listing** by the **issuer's securities regulator** as well as **admitted to trading** by the **Exchange**.

We require **issuers** that are **admitted to trading** on the **Exchange's** markets to comply with the disclosure obligations of the **issuer's securities regulator** to give investors dealing in those **securities** proper information for determining the current value of the **securities** and confidence that the market is well-regulated.

All of the **Exchange's regulated markets** and **MTFs** referred to above fall within the definition of a "**prescribed market**" for the purposes of the Financial Services and Markets Act 2000 (as amended) and are subject to the **UK's** market abuse regime.

No rights are provided to or actionable by third parties under the **Standards**.

1.4 Admission to the Exchange's Markets

1.4.1 The route to admission

New applicants

To join the **Exchange's** markets, most companies need to show that they have met the minimum requirements of the relevant **competent authority**. Companies must also commit to comply with the **Standards**. However, we retain discretion and flexibility so that, in appropriate circumstances, some areas of the **Standards** can be tailored to reflect an individual **issuer's** needs. Derogations from the **Standards** are at the sole discretion of the **Exchange** and requests should be made in writing to the **Exchange** and give sufficient time for the **Exchange** to consider the request.

Where a **prospectus** is required to be published prior to **admission to trading** by the **Exchange**, the rules governing the publication of a **prospectus** are the **Prospectus Regulation** and the **Prospectus Rules**. A **prospectus** may also be required where an **issuer** is making an offer of its **transferable securities** to the public.

Issuers seeking **admission** to the **Official List** should have regard to the relevant chapters of the **Listing Rules** and must be added to the **Official List**. **Issuers** applying to **Shanghai-London Stock Connect** or **Shenzhen-London Stock Connect** should also have regard to Schedule 6.

Issuers seeking **admission** to the **Specialist Fund Segment** should have regard to Schedule 4.

Issuers seeking **admission** to **ISM** should comply with the **ISM Rulebook** and have regard to Section 5 of the **Standards**, as appropriate and as set out in the **ISM Rulebook**.

Issuers seeking **admission** to **Admission to Trading Only** should have regard to Schedule 5.

Prior to **admission**, **new applicants** who are applying for **admission to trading** must submit the appropriate forms within the timeframe set out in the **Standards**. The **application** includes the **issuer's** agreement to be bound by the **Standards**, and all fields must be completed, including the proposed **settlement** solution for trading in the **issuer's securities**. The **Exchange** considers **applications** on each **business day**.

Once **admitted to trading**, **securities** are traded on the **Exchange's** Millennium Exchange trading system. Information on the different trading services is available in the **Exchange's** Millennium Exchange and the TRADEcho Business Parameters, which is available on the **Exchange's** website.

1.4.2 Additional guidance for certain securities

Debt securities

Debt securities are **admitted to trading** on the **Main Market**, **ISM** or the **Professional Securities Market**. They are traded on the **Exchange's** dedicated trading services for **debt securities**, including the **Order book for Retail Bonds** and the Order book for Fixed Income Securities.

Sustainable Bond Market

The Sustainable Bond Market provides for a range of sustainable **debt securities** and can be granted to **issuers** admitted to any of the **Exchange's** debt primary markets, subject to the criteria set out in the Sustainable Bond Market terms and conditions, as set out on the **Exchange's** website.

Depository receipts

Depository Receipts are **admitted to trading** on the **Main Market**, the **Professional Securities Market** or **ATT Only**. They are traded on the **Exchange's** dedicated trading service for **depository receipts**, the International Order Book.

Guidance

*Issuers of **depositary receipts** may wish to consider **admitting** the maximum number of **securities** which the **prospectus** or **listing particulars** allow, in order to avoid having to produce a **prospectus** whenever new **depositary receipts** are created as part of the normal course of a **depositary receipt** programme.*

ETFs & ETPs (including EEA ETFs)

ETFs and ETPs are **admitted to trading** on the **Main Market**.

Issuers of EEA ETFs should have regard to Rule 4.9 of Section 4 of the **Standards** and Part C of Schedule 1.

1.5 Transfers Between the Exchange's Markets and Market Segments

For any transfer between the **Exchange's** markets or market segments, an **issuer** must continue to comply with all applicable market rules and follow the full **admission** process for the market to which the **issuer** seeks **admission to trading**.

For further information relating to transfers between the **Exchange's** markets, please contact the relevant team at the **Exchange**.

1.5.1 Transfers from AIM

A move from **AIM** to another of the **Exchange's** markets will, in most cases, require the production of a **prospectus**.

1.5.2 Transfers to ISM

Issuers wishing to transfer debt **securities** from any of the **Exchange's** markets to **ISM** are required to comply with the general requirements for **admission to trading** on **ISM** (as set out in Section 1 of the **ISM Rulebook**).

1.5.3 Transfers between all other markets

Issuers wishing to transfer from any of the **Exchange's** markets not listed in 1.5.1 or 1.5.2 above are required to do the following:

- comply with the **Standards** including the procedures set out in Schedule 1 (and where relevant, the criteria contained in Schedules 4 or 6). **Issuers** that wish to transfer between **listing** categories should have particular regard to Rule 4.2A of Section 4 of the **Standards**;
- issue an announcement via a **Regulatory Information Service** disclosing the **issuer's** intention to transfer to the relevant market at least five **business days** before the transfer is to take place; and
- where relevant, confirm whether a **prospectus** or **listing particulars** is required.

1.6 Communication with the Exchange

The **Exchange's** relationship with **issuers** is a matter of fundamental importance to the **Exchange**. Companies applying for **admission** to the **Exchange's** markets for the first time are encouraged to approach us at the earliest possible stage and, in any event, no later than the timetable outlined in the **Standards**.

New applicants are required to identify a contact within their organisation who will be responsible for communications with the **Exchange**, both during the initial **application** process and on an ongoing basis – this gives us a clear channel for communicating directly with the **issuer**.

The **issuer's** contact should be one of the **issuer's** directors or senior employees and should be fully conversant with all of the **issuer's** responsibilities relating to the trading of its **securities** on the **Exchange's** markets. If an **applicant** would like to discuss its **application** with the **Exchange**, we would welcome the opportunity to meet prior to **admission**.

The **issuer's** contact needs to be able to respond to requests and day-to-day market enquiries from us and, in particular, be available before the **Exchange's** markets open each morning to resolve any issues which could impact on the market's orderly operation. To ensure that someone is available to answer questions, we encourage **issuers** to appoint a **designated representative** from another organisation in addition to the company contact to help cover the day-to-day enquiries. The **designated representative** is normally the **issuer's** corporate broker, financial adviser, lawyer or accountant. **Applicants** and **issuers** will at all times be responsible for the actions and communications made to the **Exchange** by a **designated representative**.

1.7 Continuing Obligations

The **Exchange** has a responsibility to ensure that it operates proper and orderly markets. In order to achieve this, it is essential that **issuers** on the **Exchange's** markets publish price-sensitive information on a timely basis in accordance with **UK MAR** and (if applicable) the rules of their **securities regulator**, which impose a general obligation on **issuers** whose **securities** are **admitted to trading** on a **regulated market** or **MTF** to release information of this type. Such information must be published via a **Regulatory Information Service**. The timely publication of information benefits companies by allowing the market in their **securities** to function properly and benefits investors by ensuring that all participants are operating on an equal basis.

The **Standards** relating to disclosure of information to the **Exchange** are outlined in 'Continuing Obligations' and include a requirement for an **issuer** to inform the **Exchange** of the timetable for any corporate action affecting the rights of existing shareholders.

1.8 Compliance

It is vital that compliance with the **Standards** is enforced for the benefit of all **issuers** and the **Exchange's** markets as a whole. Compliance with the **Standards** is important to ensure that we continue to operate high-quality and orderly markets and that there is suitable protection for all market participants.

As far as possible, when a breach is detected, action is taken on a timely basis. In particular, we are able to suspend trading in an **issuer's securities** and, in extreme circumstances, to cancel the right of an **issuer's securities** to be traded. We can also censure an **issuer** (privately or publicly) or issue a fine, if it has breached the **Standards**. The procedures relating to disciplinary and appeals matters are set out in the **Compliance Procedures**.

1.9 Fees

The **admission** fee is calculated in accordance with the **Exchange's** scale of fees as set out in the document "Fees for issuers". This publication, as updated from time to time, can be found on the **Exchange's** website.

The **Exchange** reserves the right to cancel an **issuer's securities** (in accordance with Rule 4.20 of Section 4 of the **Standards**) or refuse an **application** for **admission to trading** where an **applicant** or **issuer** fails to pay applicable fees owed by it to the **Exchange**.

1.10 Confidential Information

All communications between the **Exchange** and an **issuer** (either directly or via its advisers) are confidential to the **Exchange** and should not be disclosed without the prior written consent of the **Exchange**, except as required by any applicable regulatory or statutory body.

This Rule 1.10 continues to apply to the **issuer**, even where the **issuer** ceases to be **admitted to trading**.

1.11 Jurisdiction

When an **issuer** ceases to have any **securities admitted to trading**:

- (a) the **Exchange** retains jurisdiction over the **issuer** for the purposes of investigating and/or taking disciplinary action in relation to breaches or suspected breaches of the **Standards** at a time when the **issuer** had a class of securities **admitted to trading**; and
- (b) Rules 4.4 and 4.5 of Section 4 of the **Standards** shall continue to apply to the **issuer** for the purposes of any information or explanation which the **Exchange** requests to discharge its legal responsibilities and/or regulatory function including, without limitation, for the purposes of investigating and/or taking disciplinary action relating to breaches or suspected breaches of the **Standards**.

Section 2: Admission Conditions

Issuers must satisfy the obligations set forth in this section to enable the **Exchange** to perform its functions and meet its regulatory responsibilities as a **Recognised Investment Exchange** and operator of a **regulated market** and **MTFs**.

Part 1 – Admission Conditions

2.1 An **application** for **admission to trading** of any **class** of **securities** must:

- (a) relate to all **securities** of that **class**, issued or proposed to be issued; or
- (b) if **securities** of that **class** are already **admitted to trading** on the **Exchange's** markets, relate to all further **securities** of that **class**, issued or proposed to be issued.

Guidance to Rule:

*For **UK** incorporated **issuers** that are subject to the **Listing Rules**, an **application** for **admission to trading** of any **class** of **securities** must relate only to **securities** which are **listed** or proposed to be **listed** or equivalent.*

2.2 An **issuer** must be in compliance with the requirements of:

- (a) any **securities regulator** by which it is regulated; and/or
- (b) any stock exchange on which it has **securities admitted** to trading.

2.3 In the case of **transferable securities**, all such **securities** must be **freely negotiable**.

2.4 **Securities** that are **admitted** to trading on any **regulated market** operated by the **Exchange** must be capable of being traded in a fair, orderly and efficient manner.

2.5 The **Exchange** may refuse an **application** for the **admission to trading** of **securities** if it considers, in its absolute discretion, that:

- (a) the **applicant's** situation is such that **admission** of the **securities** may be detrimental to the orderly operation of the **Exchange's** markets and/or to the integrity or reputation of such markets;
- (b) the **applicant** does not and/or will not comply with the **Standards** or with any special condition imposed upon the **applicant** by the **Exchange**; and/or
- (c) the **securities** are better suited to another of the **Exchange's** markets or segments.

2.6 **Issuers** must confirm that they meet the criteria and requirements of the market to which they are applying.

Guidance to Rule:

***Issuers** are required to tick the relevant box on the **Form 1** to indicate the market to which they are seeking **admission** and/or select the market when making a submission via the **SSP**.*

Settlement

2.7 To be **admitted to trading**, **securities** must be eligible for electronic **settlement**. The **issuer** must inform the **Exchange** at the time of **application** of the chosen **settlement** mechanism and if **settlement** restrictions will apply to any **securities** to be considered for **admission**.

Guidance to Rule:

*The **Exchange** requires that an appropriate **settlement** solution is in place, dependent upon the trading platform on which the **securities** are to be traded. Accepted **central security depositaries** include Euroclear UK & Ireland, Euroclear Bank, Depository Trust Clearing Corporation (DTCC) or Monte Titoli S.p.A.. Other **central securities depositaries** will be considered on a case-by-case basis.*

***Issuers** should note that certain of the **Exchange's** trading services have trades cleared by **central counterparties**. In these cases, the **securities** have to be eligible for the **central counterparty** as well as the **central securities depositary**. In addition, the **central counterparties** may restrict where **settlement** can occur.*

Communication

- 2.8 An **issuer** must identify a contact within their organisation who will be responsible for communications between the **Exchange** and the **issuer**, and the **Exchange** must be notified in writing of any changes thereafter. An **issuer** may also wish to use a **designated representative**. The **issuer** will be responsible for all actions and communications with the **Exchange** made on its behalf by a **designated representative**.

Guidance to Rule:

*The contact should be fully conversant with the **issuer's** responsibilities under the **Standards** and will be either a director or senior employee of the **issuer** in a position to act as the **Exchange's** point of contact. At the **issuer's** discretion, a **designated representative** from another organisation may also be selected to act as the primary day-to-day contact point with the **Exchange** on regulatory matters. Details of the **issuer's** contact and any **designated representative** must be provided to the **Exchange** at the time of the **application** for **admission to trading** and the **Exchange** must be notified in writing of any changes thereafter.*

- 2.9 An **issuer** must ensure that all information provided in connection with the **application** for **admission to trading** is in all respects complete, accurate and not misleading. An **issuer** must be open, honest and co-operative in all dealings with the **Exchange**.

Part 2 – Other Criteria

Specialist Fund Segment

- 2.10 In addition to the provisions contained in Rules 2.1 to 2.9 (inclusive), an **issuer** applying for **admission to trading** or has been **admitted** on the **Specialist Fund Segment** must comply with Schedule 4.

Admission to Trading Only

- 2.11 In addition to the provisions contained in Rules 2.1 to 2.9 (inclusive), an issuer applying for **admission** to or has been **admitted** to **Admission to Trading Only** must comply with Schedule 5.

- 2.12 In addition to the provisions contained in Rules 2.1 to 2.9 (inclusive), an **issuer** applying to **Shanghai-London Stock Connect** or **Shenzhen-London Stock Connect** must comply with Schedule 6.

Issuers applying to the list of markets set out at paragraph 1(c) of Schedule 6 should notify the Exchange of their intentions, in writing, at the following address stockconnect@lseg.com and in accordance with the timetable for early notifications as set out in Part 3 of this Section 2.

EEA ETFs

- 2.13 In addition to the provisions contained in Rules 2.1 to 2.9 (inclusive), an **issuer** of **EEA ETFs** must follow the **EEA ETFs** procedures at Part C of Schedule 1.

- 2.14 In addition to the provisions contained in Rules 2.1 to 2.9 (inclusive), an **issuer** seeking the Voluntary Carbon Market **designation** must comply with Schedule 7.

Part 3 – Admission Process

Early notification

- 2.15 In addition to the **application** requirements as set out in the **Standards**, an **applicant** who proposes to **admit** new **securities** should notify the **Exchange**, via the prescribed early notification form, no later than when it provides its eligibility letter or eligibility checklist, as applicable, to the Listing Transactions team of the **FCA** (or at least five **business days** prior to proposed **admission to trading** of new debt **securities**¹ and 30 **business days** prior to proposed **admission to trading** on the **Specialist Fund Segment** or **ATT Only**)². An **applicant** must, in a timely manner, provide the **Exchange** with such further information that it requests. Notifications should be made to en@lseg.com. An **issuer** proposing to **admit securities** that will be the subject of an **application** for **admission to trading** must agree the timetable for the **admission to trading** of those **securities** in advance with the **Exchange**.

Guidance to Rule:

*The **Form 1** should be sent to the **Exchange** (marked for the attention of “Admissions”) and/or a submission made via the **SSP**.*

Effective admission

- 2.16 **Admission** of **securities** becomes effective only when the decision of the **Exchange** to admit the **securities** to trading has been announced by the **Exchange** via a **Regulatory Information Service**.

Publication of admission documentation on the Exchange’s website

- 2.17 As soon as an **applicant** has electronically published either a registration document, **prospectus**, listing particulars, **admission** particulars or a similar document, in association with an **admission** to one of the **Exchange’s** markets, the **applicant** must provide a copy of the published document to the **Exchange**. The **Exchange** may in turn make such document available on the **Exchange’s** website. A copy should be sent to en@lseg.com.

¹ For the avoidance of doubt, this does not include drawdowns under a programme, but does apply to an existing issuer of new standalone debt **securities**.

² In respect of an **issuer** that is already **admitted to trading** on the **Specialist Fund Segment**, this notification requirement applies if there is a new line of **securities** being issued.

Section 3: Application Rules

Introduction

This section includes rules and guidance in respect of provisional **applications** and formal **applications** of **securities** for **admission to trading**.

Provisional Application

- 3.1 To ensure the **Exchange** can properly consider any **application** for **admission** to trading the **issuer** must comply with the procedure contained in Part A of Schedule 1. Amendments to Schedule 1 will be made from time to time as the **Exchange** considers appropriate.
- 3.2 The **issuer** must submit a provisional **application** to the **Exchange** no later than ten **business days** before the **application** is to be considered.

Formal Application

- 3.3 Save where otherwise agreed by the **Exchange**, an **applicant** must comply with the procedure contained in Part B of Schedule 1 in order to make its formal **application** to the **Exchange**.
- 3.4 The **Exchange** will not ordinarily **admit securities** to trading without each of the documents and items listed in Part B of Schedule 1 having been lodged with the **Exchange** (marked for the attention of “Admissions”) in so far as they are relevant. All documents submitted to the **Exchange** must be written in English and submitted electronically.
- 3.5 Part C of Schedule 1 sets out additional requirements for certain **securities**.

Further Issues

- 3.6 When further **issues** of **securities** are **allotted** of the same class as **securities** already **admitted to trading** on the **Exchange's** markets, **issuers** must assess whether either a **prospectus** or **listing particulars** are required. If applicable, these must be submitted to the **FCA** for review and approval in accordance with its rules. **Application** for **admission** of such further **securities** by submitting a **Form 1** and/or making a submission via the **SSP**, must also be made, at the same time as the **application** for **listing** where applicable, and in any event not later than 48 hours before the **application** is to be considered.

Fees

- 3.7 An invoice for the **admission** fee will be raised on **admission**. The **admission** fee is calculated in accordance with the **Exchange's** scale of fees (see Rule 4.11 of Section 4 of the **Standards**). Payment of the **admission** fee must be received no later than 30 days after the date of this invoice.

When Issued Dealing

- 3.8 If a request for **when issued dealing** is to be considered, the procedure in Schedule 2 must be followed.
- 3.9 The **Exchange** may refuse **when issued dealing** if it considers that:
 - (a) the **when issued dealing** may be detrimental to the orderly operation of the **Exchange's** markets or to the integrity or reputation of such markets; or
 - (b) the **applicant** for **when issued dealing** does not and/or will not comply with the **Standards** or with any special condition imposed upon the **applicant** by the **Exchange**.

Guidance to Rule:

*All **when issued dealing** trades will be for deferred **settlement** and if the resulting **securities** are not **admitted to trading** on an unconditional basis, every **when issued dealing** trade effected is void.*

After Admission

- 3.10 Where relevant, a statement of the number of **securities** which were, in fact, issued and, where different from the number which were the subject of the **application**, the aggregate number of **securities** of that class in issue must be lodged with the **Exchange** (marked for the attention of “Admissions”) as soon as it becomes available.
- 3.11 An **issuer** who proposes to change its name must, as soon as possible, notify the **Exchange** in writing of the change, stating the date on which it has taken effect. The **issuer** should provide the **Exchange** with a copy of the revised change of name document as issued by the relevant registrar of companies in the **issuer’s** country of incorporation.

Block Admission

- 3.12 Where an **issuer** admits **securities** that will not be allotted prior to **admission** and that do not require a **prospectus** or **listing particulars**, the **issuer** may make an **application** for a **block admission**. These **admissions** may be pursuant to employee share schemes or the exercise of options.

Guidance to Rule:

*Where an **issuer** wishes to **admit securities** on a regular basis, they may make an **application** for a **block admission**. **Block admissions** will usually be for the reasons stated in Rule 3.12 but the **Exchange** will consider requests for other reasons. The **Exchange** will monitor the correct usage of this facility and the number of **block admission applications** per **issuer**.*

Section 4: Continuing Obligations

General

- 4.1 In order for its **securities** to be **admitted to trading** and to remain on the **Exchange's markets**, **issuers** must be in compliance with:
- (a) the requirements of any **securities regulator** by which it is regulated; and/or
 - (b) the requirements of any stock exchange on which it has **securities admitted to trading**; and
 - (c) the provisions set out in the **Standards**, including any modification to the application of the **Standards** which has been notified via the **Exchange's** website.

This shall be without prejudice to any **securities regulator** and/or stock exchange having rights to enforce compliance under its own rules and requirements, national law and regulations.

UK MAR provides for separate disclosure obligations for **issuers admitted** to the **Exchange's** markets. The disclosure obligations in **UK MAR** relate to the disclosure of inside information and disclosure of transactions by persons discharging managerial responsibilities ("PDMR") and persons closely associated with them. **UK MAR** also provides for restrictions on PDMRs dealing during mandatory close periods. These obligations apply to **issuers** who have requested or approved **admission** of their securities on the **Exchange's regulated market** or **MTFs**. The **FCA**, as the **UK** competent authority, is responsible for oversight and enforcement of **UK MAR**.

- 4.2 **Issuers** must notify the **Exchange** without delay of any change of status of the information provided in respect of the **listing** or **admission to trading** (or cancellation from trading) of the **issuer's securities** on any other exchange or trading platform, where such **admission** or cancellation is at the **application** or agreement of the **issuer**.
- 4.2A An **issuer admitted to trading** on the **Main Market** that wishes to transfer between listing categories pursuant to **Listing Rule 5.4A** must notify the **Exchange** of its intention to transfer **listing** category. Such notification must be made as early as possible and no later than three **business days** before the transfer is due to take place. The notification should include details of the **issuer**, the relevant **security** and the change in **listing** category sought; an explanation of why the **issuer** is seeking to transfer; the date on which the **issuer** wishes the transfer to take effect; and contact details of the person the **Exchange** should liaise with in relation to the transfer.
- 4.3 Subject to the **Exchange's** compliance with requirements of national law and regulations, the **Exchange** may make additions to, dispense with or modify the application of the **Standards** (either unconditionally or subject to conditions) in such cases and by reference to such circumstances as it considers appropriate.

Provision of Information

- 4.4 **Issuers** and their **designated representatives** must provide to the **Exchange** without delay any information or explanation that the **Exchange** may reasonably require for the purpose of discharging its legal responsibilities and/or regulatory function, verifying whether the **Standards** are being or have been complied with or which relates to the integrity or orderly operation of the **Exchange's** markets.
- 4.5 An **issuer** must deal with the **Exchange** promptly and in an open, transparent and co-operative way and should reasonably satisfy itself that all information provided by it to the **Exchange** is complete, accurate and not misleading and, if it comes to the subsequent attention of the **issuer** that the information provided does not meet this requirement, the **issuer** should advise the **Exchange** as soon as practicable.

Depository Receipts

- 4.6 An **issuer** of **depository receipts admitted to trading** must ensure it has in place arrangements to provide to the **Exchange** each quarter, information on the number of **securities** issued and outstanding. An **issuer** of **depository receipts** must also, upon request from the **Exchange**, provide an end of day number of **securities** issued and outstanding at any other time that the **Exchange** considers appropriate.

Guidance to Rule:

*The quarterly information required under this rule is the quarterly average of each end of **business day** number of issued and outstanding **depository receipts**. The information must be provided to the **Exchange** by the tenth **business day** of January, April, July and October in respect of the preceding calendar quarter. An **issuer** of **depository receipts** may prefer to instruct their **depository bank** to make this information available to the **Exchange** on their behalf.*

Corporate Actions

- 4.7 **Issuers** must inform the Corporate Actions Team at the **Exchange** (marked for the attention of the “Corporate Actions Team” and sent to ssn@lseg.com) in advance of any notification of the timetable for any proposed action affecting the rights of its existing holders of its **securities** traded on the **Exchange’s** markets. **Issuers** are reminded of their responsibilities in Rules 4.4 and 4.5, in particular any information provided to the Corporate Actions Team must be complete, accurate and not misleading.
- 4.8 **Issuers** must comply with the provisions of Schedule 3 in order to comply with Rule 4.7.

EEA ETFs

- 4.9 **Issuers** of **EEA ETFs**, for whom the **FCA** is not the **listing** authority, must:
- (i) Have **FCA recognition status**.
 - (ii) Comply with the **listing** rules of the **EEA** state in which they are listed.
 - (iii) Notify a **Regulatory Information Service** as soon as possible of all circulars, notices, reports (as required by the **listing** rules of the **EEA** state in which they are **listed**), at the same time as any such documents are issued.
- Unless the full text of the document is provided to the **Regulatory Information Service**, the notification must set out where copies of the relevant document can be obtained.
- (iv) Appoint a registrar in the **UK** if: (a) there are 200 or more holders resident in the **UK**; or (b) 10% of more of the equity **securities** are held by persons resident in the **UK**.
 - (v) Notify a **Regulatory Information Service** on a daily basis of the number of outstanding shares and the Net Asset Value per share.

Guidance to Rule:

*In relation to sub-paragraph (iii) above, an **issuer** should also consider the requirements of any settlement venue for a **UK** registrar.*

*An **issuer** must consider its obligations under **UK MAR**.*

*An **issuer** must also adhere to the applicable continuing obligations contained within **FSMA** and the applicable implementation of the UCITS Directives.*

Settlement

- 4.10 The **Exchange** requires that the **securities** continue to be eligible for electronic **settlement**, as set out in the Guidance to Rule 2.7 of Section 2 of the **Standards**.

Fees

- 4.11 An **issuer** with **securities admitted to trading** shall pay to the **Exchange** all applicable charges set out in the document “Fees for issuers” as soon as payment becomes due. This publication, as updated from time to time, can be found on the **Exchange’s** website.

Where an **issuer** fails to comply with this requirement, the **Exchange** may cancel the **issuer’s securities** in accordance with Rule 4.20.

Suspension

- 4.12 The **Exchange** will ordinarily suspend the **admission** to and trading of any **securities** on its markets if a **listing** of such **securities** is suspended.
- 4.13 The **Exchange** may suspend trading of such **securities** with effect from such time as it may determine, and in such circumstances as it thinks fit where the ability of the **Exchange** to ensure the orderly operation of its markets is, or may be, jeopardised, even if only temporarily.
- 4.14 Any request by an **issuer** to suspend trading of its **securities** must be confirmed to the **Exchange** in writing by the **issuer** or its **designated representative**.
- 4.15 Where trading has been suspended, the **Exchange** may impose such conditions as it considers appropriate prior to resumption of trading.
- 4.16 An **issuer** must continue to comply with the **Standards**, even when **admission** of its **securities** to trading is suspended, unless the **Exchange** otherwise agrees.

Cancellation

- 4.17 The **Exchange** will ordinarily cancel the **admission** to and trading of any **securities** on its markets if a **listing** of such **securities** is delisted by the relevant **competent authority** (and where the **issuer** has not undertaken a transfer in accordance with Rule 1.5 of Section 1 of the **Standards**). The **Exchange** may cancel an **issuer's admission** to and trading of its **securities** if it is satisfied that there are special circumstances that preclude normal dealings in such **securities**. For the purposes of this paragraph, special circumstances may include a situation where the **securities' listing** has been suspended for more than six months.
- 4.18 An **issuer** that wishes the **Exchange** to cancel the **admission** of its **securities** to trading must inform the **Exchange** in writing, not later than 20 **business days** before the date of cancellation. An **issuer** is also required to announce the intended cancellation of any of its **securities** through a **Regulatory Information Service**. The **Exchange** will announce the cancellation of the **issuer's securities** through the **Datasync Email Service** and through a **Regulatory Information Service**.
- 4.19 Cancellation at the request of the **issuer**, in accordance with Rule 4.18, will only be effective subject to the **issuer** complying with any legal or regulatory obligation and providing the **Exchange** with appropriate confirmation.

Guidance to Rules

*The **Exchange** will not exercise its powers under Rules 4.12 to 4.19 (inclusive), in respect of an **issuer** which does not or no longer complies with the **Standards**, where suspension or cancellation of an **issuer's securities** would, in the **Exchange's** determination, be likely to cause significant damage to the interests of investors or the orderly functioning of the financial markets.*

Compliance and Appeals

- 4.20 Where the **Exchange** considers that an **issuer** has contravened the **Standards** and considers it appropriate to impose any sanction as set out in Rule 4.21, it will follow the procedure set out in the **Compliance Procedures**.
- 4.21 If an **issuer** has contravened the **Standards**, one or more of the following actions may result:
- (a) censure of the **issuer** and, in addition, publication of such censure;
 - (b) a fine; and/or
 - (c) cancellation of the right of the **issuer** to have its **securities**, or any **class** of its **securities**, traded on the **Exchange's** markets.
- 4.22 An **issuer** may appeal against a decision of the **Exchange** in relation to the application and interpretation of the **Standards**. The procedures for such appeals are set out in the **Compliance Procedures**.

Section 5: Compliance Procedures

Disciplinary Process

Where the **Exchange** believes there has been a breach of the **Standards** or the **ISM Rulebook** by an **issuer**, the **Exchange** may commence disciplinary action against such **issuer**. In this Section 5, references to a breach of the **Standards** also includes a breach of the **ISM Rulebook**. The **Exchange** may issue a warning notice and/or refer disciplinary matters to either the Executive Panel or the Disciplinary Committee. In appropriate cases (including where a greater sanction than the Executive Panel is authorised to impose is deemed appropriate by the Executive Panel), the Executive Panel may refer the case to the Disciplinary Committee.

There are a number of factors which the **Exchange** takes into account when considering what disciplinary action to take in relation to a rule breach. These are set out below:

- The seriousness, size and nature of the rule breach
- How the rule breach came to light
- The actual or potential market impact of the rule breach, and any likely repercussions
- The general compliance history of the **issuer**, and specific history regarding the rule breach in question
- Consistent and fair application of the rules (any precedents of previous similar rule breaches); and
- The responsiveness and conduct of the **issuer** in relation to the matter under investigation.

The **Exchange's** approach to regulation is aimed at maintaining the integrity, orderliness, transparency and good reputation of its markets and changing **issuers'** behaviour in those markets where necessary. The **Exchange** will investigate the facts of each case, seeking to understand why the rule breach occurred and will assess whether any remedial action the **issuer** has taken is adequate to prevent similar future occurrences.

The Executive Panel is a panel comprised of appropriately experienced senior members of the **Exchange's** staff. The procedures followed by the Executive Panel are set out in Rules 5.5 to 5.38 (inclusive). Any final decision of the Executive Panel (other than a decision to refer a matter to the Disciplinary Committee) may be appealed to the Appeals Committee. There is no appeal on interim decisions.

The Disciplinary Committee is drawn from a pool of appropriately experienced (non-**Exchange**) persons and its procedures are set out in Rules 5.39 to 5.80 (inclusive). The Disciplinary Committee may impose a wider range of sanctions than the Executive Panel and has discretion to publicise its findings. Any final decision of the Disciplinary Committee may be appealed to the Appeals Committee. There is no appeal on interim decisions.

The Appeals Committee is also drawn from a pool of appropriately experienced (non-**Exchange**) persons and hears appeals against the findings of both the Executive Panel and the Disciplinary Committee. The procedures followed by the Appeals Committee are set out in Rules 5.81 to 5.115 (inclusive). The Appeals Committee may uphold, quash or vary any decision it is asked to consider. The Appeals Committee decision is final.

The table below summarises the disciplinary process operated by the **Exchange**.

Non-disciplinary Appeal Process

In the first instance, appeals against decisions of the **Exchange** are heard by the Executive Panel. The Executive Panel may uphold, quash or vary any decision it is asked to consider. There is no appeal on the **Exchange's** decision to refer a matter to the Executive Panel or the Disciplinary Committee.

Appeals against the findings of the Executive Panel, and referrals from the Executive Panel are heard by the Appeals Committee. The Appeals Committee may uphold, quash or vary any decision it is asked to consider. The Appeals Committee decision is binding.

Executive Panel

Role

- 5.5 The Executive Panel shall, when acting as a tribunal of first instance, hear and determine charges against an **issuer** in respect of a breach of the **Standards**.
- 5.6 The Executive Panel shall, when acting as an appellate tribunal, hear and determine appeals by an appellant against a decision of the **Exchange**.

Disciplinary Powers

- 5.7 Where the Executive Panel acting as a tribunal of first instance finds an allegation proven on the balance of probabilities, the Executive Panel may:
- 5.7.1. issue a written warning (a private censure); or
 - 5.7.2. impose a fine of up to £100,000 for each breach; or
 - 5.7.3. refer the case to the Disciplinary Committee for hearing.
- 5.8 The Executive Panel may grant a consent order in respect of any settlement within its powers that may be negotiated between the **Exchange** and an **issuer** in relation to any disciplinary action taken by the **Exchange**.

Appeal powers

- 5.9 The Executive Panel may, when acting as an appellate tribunal, uphold, quash or vary (in accordance with the **Standards**) any decision by the **Exchange** which can be appealed under the **Standards**, or refer the matter to the Appeals Committee for further consideration.

Membership

- 5.10 Members of the Executive Panel shall be appropriately experienced senior members of the **Exchange's** staff.
- 5.11 The Executive Panel appointed pursuant to a referral or an appeal shall have between three and five members (including the Chairman) and shall have a quorum of three.
- 5.12 No member of the **Exchange's** staff who has been involved in the investigation or prosecution of the charge(s) in a disciplinary case shall be appointed to the Executive Panel considering that disciplinary case.
- 5.13 No member of the **Exchange's** staff who has been involved in a decision by the **Exchange** which is the subject of an appeal to the Executive Panel shall be appointed to the Executive Panel considering an appeal against that decision.
- 5.14 The names of the members of the Executive Panel will be disclosed to the **issuer**.

- 5.15 Each Executive Panel hearing a case shall appoint one of its members to be the Chairman.
- 5.16 A party may object to the membership of the Executive Panel on the grounds of conflict of interest or breach of Rule 5.12 or 5.13. Such objection must be notified in writing, promptly, and prior to the hearing of the case, to the **Exchange**. If the Executive Panel upholds the objection, it will take appropriate action to address the objection. The decision of the Executive Panel under this rule is an interim decision and cannot be appealed separately from an appeal against the final decision of the Executive Panel under Rule 5.34.

Confidentiality

- 5.17 Other than as set out in the Standards, and other than as between a party and its advisers, each party shall keep confidential any matters relating to any proceedings save where disclosure is permitted or required by law.

Mode of referral when acting as a tribunal of first instance

- 5.18 Proceedings before the Executive Panel shall be commenced by the **Exchange** submitting a statement of case to the **issuer**. The statement of case shall set out the charge(s) and all material facts taken into account and shall have attached to it copies of all documents relevant to the charge(s).
- 5.19 The **issuer** may, within five **business days** (or such other period agreed between the parties) of receipt of the statement of case, submit to the **Exchange** a statement of response setting out all material facts and having attached to it copies of all documents relied upon.
- 5.20 The Chairman of the Executive Panel may vary the period referred to in Rule 5.19 at the request of the **issuer**.
- 5.21 Following receipt of the **issuer's** statement of response, the **Exchange** shall submit to the Executive Panel the statement of case and the **issuer's** response (if any), together with copies of all other relevant documents.

Mode of referral when acting as an appellate tribunal

- 5.22 Appeals to the Executive Panel must be commenced by service of a notice in writing on the **Exchange** within 10 **business days** of the service of the decision by the **Exchange**. The notice should set out the name of the appellant, the decision appealed against, the grounds of appeal, all material facts and shall have attached to it copies of all documents relevant to the appeal. The notice should be copied to the **Exchange's** Company Secretary, who will ensure that the notice is transmitted to the Chairman of the Executive Panel.
- 5.23 The **Exchange** may, within 10 **business days** (or such other period agreed between the parties) of receipt of the notice under Rule 5.22, submit to the Chairman of the Executive Panel a statement of response setting out all material facts and having attached to it copies of all documents relied upon. Such statement shall be copied to the appellant (subject to any legal duty of confidentiality with respect to any details in such response).
- 5.24 On receipt of a notice under Rule 5.22 and any statement of response under Rule 5.23, the Chairman of the Executive Panel will arrange a hearing as soon as reasonably practicable.
- 5.25 The Chairman of the Executive Panel may vary the time periods referred to in Rules 5.22 to 5.24 (inclusive and other than the period during which an appeal may be made under Rule 5.22) at the request of either party.

Procedure

- 5.26 Save in circumstances where either party notifies the Chairman of the Executive Panel that it believes an oral hearing is essential to establish all the relevant facts and requests the Chairman to hold such an oral hearing, proceedings before the Executive Panel will take place through the consideration of documents with no oral hearing.
- 5.27 Where there is to be a hearing, in accordance with Rule 5.26, the Executive Panel will conduct it in private.
- 5.28 The parties may attend the hearing but any hearing may proceed in the absence of one or both of the parties.
- 5.29 The Executive Panel will give not less than five **business days'** notice of the time and place of any hearing to the parties. This notice period may be shortened with the agreement of the parties.

Deliberations and decisions

- 5.30 The Executive Panel may deliberate at any time and make any decision in the absence of the parties. The Executive Panel is entitled to reach decisions on a majority basis. Where a majority decision is reached, this will not be disclosed.
- 5.31 When considering appeals, the Executive Panel will only quash or vary a decision of the **Exchange** if it is satisfied, on the balance of probabilities, that the decision is a misinterpretation or an erroneous application of any of the **Standards** or is not justified by the evidence on which it is based.
- 5.32 Following its determination, the Executive Panel will notify the parties in writing of:
- 5.32.1. its decision;
 - 5.32.2. the reason(s) for its decision;
 - 5.32.3. in disciplinary cases, whether any penalty is to be imposed under Rule 5.7. Any fine must be paid by the **issuer** within 30 days of receipt of such notification unless appealed in accordance with the **Standards**; and
 - 5.32.4. a time limit for lodging any appeal against the decision or any part thereof, which will be not less than 10 **days** from the date of service of the decision on the parties.
- 5.33. If the Executive Panel decides to refer a case to the Disciplinary Committee as set out under Rule 5.7.3, no public announcement will be made until the Disciplinary Committee has reached a decision.

Appeal

- 5.34 Appeals against final decisions of the Executive Panel (as notified to the parties under Rule 5.32) are heard by the Appeals Committee, in accordance with its procedures. Appeals must be commenced by service of a notice in writing on the Chairman of the Executive Panel within 10 **business days** of the service of the Executive Panel's decision (or such other time period as prescribed under Rule 5.32.4), setting out the name of the appellant, the decision appealed against, the grounds of appeal, all material facts and attaching copies of all documents relevant to the appeal.
- 5.35 On receipt of a notice under Rule 5.34, the Chairman of the Executive Panel will arrange for the appointment of a Secretary of the Appeals Committee, who will arrange a hearing as soon as reasonably practicable (and no later than one month).
- 5.36 The Chairman of the Executive Panel or the Appeals Committee may extend the time for appeal.
- 5.37 Notwithstanding Rule 5.34, appeals against decisions of the Executive Panel on grounds of new evidence (including those where there are other grounds of appeal), shall be heard by way of rehearing by the Executive Panel before the right of appeal to the Appeals Committee arises. Where the appellant wishes to rely on evidence which was not before the Executive Panel, this shall be stated in the appeal notice and copies or details of such evidence shall be attached to the notice.

Changes to the procedures

- 5.38 The Executive Panel may vary any of its procedures to adapt to the circumstances of any particular case.

Disciplinary Committee

Role

- 5.39 The Disciplinary Committee shall, as a tribunal of first instance, hear and determine charges against an **issuer** in respect of a breach of the **Standards**.

Disciplinary powers

- 5.40 If the Disciplinary Committee finds an allegation proven on the balance of probabilities, it may impose one or more of the following sanctions:
- 5.40.1. a written warning (censure) which may be public or private;
 - 5.40.2. an unlimited fine for each breach; and
 - 5.40.3. cancellation of the right of the **issuer** to have its **securities**, or any **class** of its **securities**, traded on the **Exchange's** markets.
- 5.41 The Disciplinary Committee may grant a consent order in respect of any settlement that may be negotiated between the **Exchange** and an **issuer** in relation to any disciplinary action taken.

Membership

- 5.42 The Disciplinary Committee appointed pursuant to a referral shall have a quorum of three (including the Chairman). The maximum number of members of the Disciplinary Committee shall be seven. Any person whom the Disciplinary Committee co-opts will count as a member of the Disciplinary Committee.
- 5.43 Members of the Disciplinary Committee are drawn from a panel (the “**panel**”) appointed by the **Exchange**.
- 5.44 The Disciplinary Committee may co-opt any person whom it considers appropriate.
- 5.45 No-one who is a member of the **Exchange’s** staff may be appointed or co-opted.
- 5.46 The Chairman may appoint a legally qualified adviser who shall be independent of any party. Such legal adviser will not be counted as a member of the Disciplinary Committee but shall advise the Disciplinary Committee on legal matters. The Chairman may replace the legal adviser.
- 5.47 Members of the Disciplinary Committee will notify the Secretary or the Chairman of any possible conflict of interest at the earliest possible opportunity and, in any event, prior to any hearing to be held under Rule 5.60 or 5.61. The Chairman will take appropriate action and will then notify the parties to the disciplinary proceedings of the names of the members of the Disciplinary Committee and any proposed legal adviser. If any party to the disciplinary proceedings believes that a potential conflict of interest exists, it shall notify the Chairman in writing, at the earliest possible opportunity. The Chairman will take appropriate action.
- 5.48 Where the Disciplinary Committee wishes to co-opt a person or to appoint a person to replace a member unable to act whether because of illness, conflict of interest or otherwise and/or the Chairman wishes to replace the legal adviser and the hearing has commenced:
- 5.48.1 the appointment shall only take effect with the consent of the parties and the person co-opted or appointed will be subject to the provisions of Rule 5.66; and
- 5.48.2 if, in the absence of such consent, the Disciplinary Committee does not wish or is not able to continue with the hearing, it will cease to deal with the referral and an entirely new Disciplinary Committee will be appointed from the panel, and a new legal adviser will be appointed by the new Chairman in both cases in accordance with these procedures, and the hearing, but not any pre-hearing procedures, will start afresh in front of the new Disciplinary Committee.

Secretary

- 5.49 A Secretary (“the Secretary”) to the Disciplinary Committee shall be appointed by the **Exchange**. The parties will be notified of the name of the Secretary as soon as reasonably practicable. For the avoidance of doubt, the Secretary may be a member of the **Exchange’s** staff.
- 5.50 The Secretary will carry out any administrative functions. Any notices, notifications and other documents required to be submitted to the Disciplinary Committee must be served upon the Secretary who will ensure that copies are provided to the other parties, the members of the Disciplinary Committee and any legal adviser as appropriate. Where the Disciplinary Committee wishes to notify the parties of any matter it shall do so through the Secretary.
- 5.51 Any notices or other documents required to be served shall be served by delivering by hand or posting by first class post to the addresses set out below, save that the Secretary may agree with any of those referred to at Rules 5.51.1 and 5.51.2 a different place for service upon them:
- 5.51.1 in the case of an **issuer**, to its head office;
- 5.51.2 in the case of the **Exchange**, to the Secretary with a copy to the Company Secretary, at the **Exchange’s** registered office; and
- 5.51.3 in the case of any other party, to a place agreed with the Secretary.
- 5.52 Service shall be deemed effective on the date of delivery by hand or, where first class post is used, on the second day after posting.

Confidentiality

- 5.53 All communications relating to the proceedings (save those which would be privileged from production in a court of law) between the parties and with the Disciplinary Committee shall be channelled through the Secretary.
- 5.54 If any Disciplinary Committee member or the legal adviser is approached by any person to discuss any matter connected with the proceedings such member shall, without delay, notify the Chairman who will take appropriate action.
- 5.55 Other than as set out in the **Standards**, and other than as between the parties and their advisers, all parties shall keep confidential any matters relating to any proceedings save where disclosure is permitted or required by law.

Mode of referral

- 5.56 The **Exchange** shall refer cases to the Disciplinary Committee by service of a written statement of case on the Secretary, who will as soon as reasonably practicable serve a copy of the statement of case on the **issuer**. The statement of case shall set out the charges and a summary of the main facts to be relied on.
- 5.57 In the case of referral by the Executive Panel (under Rule 5.7.3), the **Exchange** shall serve a copy of the statement of case together with the statement of response made by the **issuer**.

Procedure

- 5.58 Following service of a statement of case pursuant to Rule 5.56 or 5.57:
- 5.58.1 the **issuer** may submit to the Disciplinary Committee a statement of response (or in the event of referral under Rule 5.7.3 – a further statement of response) and shall submit to the Disciplinary Committee a statement of all material facts and attach to it copies of all documents relied upon; and
 - 5.58.2 each party will then notify the Disciplinary Committee of any directions to be sought at a pre-hearing review or their assessment that there is no need for a pre-hearing review.
- 5.59 The Secretary may, by agreement with the parties, set a timetable for the completion of the steps under Rule 5.58. If no agreement is reached, the Chairman of the Disciplinary Committee may specify, by notice in writing to the parties, the time limits within which the steps at Rule 5.58 are to be carried out.

Directions

- 5.60 Following the completion of the procedures set out in Rule 5.58, the Chairman or any member of the Disciplinary Committee whom he nominates may give any directions and take any other steps he considers appropriate for the clarification of the facts and issues and generally for their just, efficient and expeditious presentation and the determination of the matters in issue. The Chairman or any member of the Disciplinary Committee whom he nominates may hold one or more pre-hearing reviews for those purposes and the determination of the matters in issue. By way of example, these directions may include:
- 5.60.1 fixing a time and place for any pre-hearing review and hearing;
 - 5.60.2 by written consent of all parties, directing that the hearing or any part of the hearing shall proceed by written representations;
 - 5.60.3 recording any admissions made by any party and any request to any party to make admissions;
 - 5.60.4 directing any party to indicate whether it admits any particular fact(s) or document(s);
 - 5.60.5 directing any party to disclose and serve copies of any documents;
 - 5.60.6 setting time limits for any purpose of the proceedings;
 - 5.60.7 extending or abridging time limits;
 - 5.60.8 adjourning the pre-hearing review, with such orders as it thinks fit;

 - 5.60.10 varying any previous directions; and
 - 5.60.11 making any order for the payment of costs of or in connection with pre-hearing preparation or any pre-hearing review.

The hearing

- 5.61 The Disciplinary Committee will usually conduct hearings in private, although an **issuer** which is subject to proceedings has the right to ask for such hearing to be conducted in public. An **issuer** requiring such hearing to be conducted in public shall notify the Chairman, in writing, at least five **business days** prior to commencement of the hearing.
- 5.62 A party may be legally represented at any pre-hearing review or hearing.
- 5.63 A party may submit evidence to the Disciplinary Committee at any time until two **business days** before the hearing.
- 5.64 The parties will be given not less than three **business days'** notice of the time and place of a pre-hearing review and seven **business days'** notice of the time and place of the hearing by the Secretary. Any shorter notice period may apply if the parties agree.
- 5.65 If any party fails to attend or be represented at a pre-hearing review or a hearing, the Disciplinary Committee may proceed in its absence.
- 5.66 At the hearing:
- 5.66.1 the members of the Disciplinary Committee and the legal adviser will be introduced to the parties by the Chairman who will state that each of the members and the legal adviser believes himself to have no conflict of interest in hearing the case;
 - 5.66.2 the parties will be asked to confirm that there is no reasonable objection to any of the Disciplinary Committee members hearing the case or the legal adviser on the grounds of conflict of interest; and
 - 5.66.3 if the Disciplinary Committee, which for these purposes shall exclude any member objected to and shall have a quorum of two, upholds an objection, it may appoint another **person** from the panel to replace any relevant member and where the objection relates to the legal adviser, the Chairman may appoint another **person** to replace the legal adviser; in all cases the appointment shall be made in accordance with these procedures.
- 5.67 Unless otherwise ordered by the Disciplinary Committee, the order of proceedings at the hearing shall be as follows:
- 5.67.1 the allegation(s) made by the **Exchange** will be read and the **issuer** will state whether the allegation(s) is/are admitted;
 - 5.67.2 each party (the **Exchange** followed by the other party(ies)) may present its evidence and/or call witnesses, who may be cross-examined and re-examined by the other parties and questioned by the Disciplinary Committee, and may make submissions to the Disciplinary Committee; and
 - 5.67.3 where the Disciplinary Committee is satisfied that any allegation has been proved it shall take into account any representations made by the parties on whether any, and if so what, sanction(s) should be imposed before deciding whether, and if so what, sanction(s) should be imposed.
- 5.68 At a hearing the Disciplinary Committee may:
- 5.68.1 admit any evidence whether oral or written, whether direct or hearsay, without any requirement that it be on oath and whether or not the same would be admissible in a court of law;
 - 5.68.2 make any directions which may be given at a pre-hearing review, and vary any direction which has been made; and
 - 5.68.3 make all such directions with regard to the conduct of and procedure at the hearing as the Disciplinary Committee considers appropriate for securing a proper opportunity for the parties to present their cases and otherwise as may be just.
- 5.69 A record of the pre-hearing review may be made at the request of any party or if the Chairman so decides. A transcription or copy of the record will be made available to a party on payment of the cost of making such transcription or copy or a proportion thereof as the Secretary in his discretion shall determine. For the avoidance of doubt, it shall be sufficient for such record to be in the form of minutes taken by the Secretary.
- 5.70 A record of the hearing will be made. A transcription or copy of the record will be made available to a party on payment of the cost of making such transcription or copy, or a proportion thereof, as the Secretary in his discretion shall determine. For the avoidance of doubt, it shall be sufficient for such record to be in the form of minutes taken by the Secretary.

- 5.71 The Disciplinary Committee may deliberate at any time and make any decision in the absence of the parties. The Disciplinary Committee may adjourn any hearing at any time as it thinks fit. The Disciplinary Committee is entitled to reach decisions on a majority basis. Where a majority decision is reached, this fact will not be disclosed. In the case of an equality of votes, the Chairman shall have a second or casting vote.

- 5.73 The matters at Rules 5.72.1 to 5.72.3 (inclusive) will not take effect until the expiry of the period for the lodging of any appeal or any extension thereof. If an appeal is lodged in relation to any or all of Rules 5.72.1 to 5.72.3 (inclusive), the relevant matters at Rules 5.72.1 to 5.72.3 (inclusive) will not take effect until the appeal is withdrawn or the Disciplinary Appeals Committee orders that they or any of them shall take effect.
- 5.74 The Disciplinary Committee may order any party to pay such reasonable costs as it thinks fit, regardless of any finding or the outcome of the case. Such costs may include the remuneration and expenses of members of the Disciplinary Committee, the legal adviser, the Secretary and any costs incurred by the other party in the preparation and presentation of its case. Costs may be awarded against the **Exchange** only if, in the opinion of the Disciplinary Committee, the **Exchange** has acted in bad faith in bringing or conducting the proceedings. Such order will be made only after the parties to the proceedings have been given the opportunity to make submissions on costs to the Disciplinary Committee.
- 5.75 Any fine shall be paid within 30 days of receipt of the written decision of the Disciplinary Committee or the conclusion of any appeal against that determination and any costs ordered to be paid shall be paid within 30 days of receipt of the notification in writing of the amount payable.
- 5.76 The Disciplinary Committee may publish part or all of its written decision or a summary of it, and the reasons for the decision. Where the sanction imposed is a private censure, the Disciplinary Committee may publish its decision in part or a summary of it and the reasons for the decision without revealing the identity of the **issuer** sanctioned.

Appeal

- 5.77 Appeals must be made by service of a notice in writing, within 10 **business days** of the service of the Disciplinary Committee's decision, setting out the name of the appellant, the decision appealed against, the grounds of appeal, the principal matters relied upon and attaching copies of any documents relied upon on to the Secretary to the Disciplinary Committee, who will as soon as reasonably practicable serve a copy on the other party. - 5.108 A record of any hearing will be made. A transcription or copy of the record will be available to any party, on payment of the cost of making such transcription or copy or a proportion thereof as the Secretary in his discretion shall determine. For the avoidance of doubt, it shall be sufficient for such record to be in the form of minutes taken by the Secretary.

Deliberations and decisions

- 5.109 The Appeals Committee may deliberate at any time and make any decision in the absence of the parties. The Appeals Committee may adjourn any hearing at any time as it thinks fit. The Appeals Committee is entitled to reach decisions on a majority basis. Where a majority decision is reached, this will not be disclosed. In the case of an equality of votes, the Chairman shall have a second or casting vote.
- 5.110 The Appeals Committee will only quash or vary a decision of the Disciplinary Committee or the Executive Panel if it is satisfied, on the balance of probabilities, that the decision is a misinterpretation of or an erroneous application of any of the **Standards** or is not justified by the evidence on which it is based.
- 5.111 Following the conclusion of the proceedings, the Appeals Committee will notify the parties in writing of:
- 5.111.1 its decision(s), including any statement intended for publication;
 - 5.111.2 the reason(s) for its decision; and
 - 5.111.3 any order for costs to be imposed.
- 5.112 The Appeals Committee may order any party to the proceedings to pay such reasonable costs as it thinks fit regardless of any finding or the outcome of the case. Such costs may include the remuneration and expenses of members of the Appeals Committee, the Secretary and the legal adviser and any costs incurred by any other party in the preparation and presentation of its case. Costs may be awarded against the **Exchange** only if, in the opinion of the Appeals Committee, the **Exchange** has acted in bad faith in bringing or conducting the proceedings. Such order will be made only after the parties to the proceedings have been given the opportunity to make submissions on costs to the Appeals Committee.
- 5.113 Any fine shall be paid within 30 days of receipt of the written decision of the Appeals Committee and any costs ordered to be paid shall be paid within 30 days of receipt of the notification in writing of the amount payable.
- 5.114 The Appeals Committee may publish part or all of its written decision or a summary of it, and the reasons for the decision. The decisions of the Appeals Committee are binding.

Changes to the procedures

- 5.115 The Appeals Committee may vary any of these procedures to adapt to the circumstances of any particular case.

Consent orders

- 5.116 At any time after the **Exchange** has decided to refer a case to the Executive Panel or the Disciplinary Committee, the **Exchange** and the **issuer** may, without prejudice, negotiate a proposed settlement ("consent order") and jointly submit it in writing to the Executive Panel or Disciplinary Committee for approval. A disciplinary action may at the discretion of the **Exchange** be delayed, and if already commenced – halted, by the commencement of the negotiation of a consent order.
- 5.117 At the request of the **issuer**, the consent order submitted to the Disciplinary Committee for approval may be anonymous, provided that this will have no impact on the decision taken by the Disciplinary Committee. The Disciplinary Committee retains the right to insist that the name of the **issuer** is disclosed to them.
- 5.118 If the Executive Panel or Disciplinary Committee approve the proposed consent order, or any variation agreed by the **Exchange** and the **issuer**, it shall immediately make the order.

-
- 5.119 The consequences of a consent order made by the Executive Panel or Disciplinary Committee shall be the same as those of a decision made by the Executive Panel or Disciplinary Committee sitting as a tribunal of first instance, except that there can be no appeal and the consent order and penalties on any charges to which it relates shall have immediate effect.
- 5.120 The Executive Panel or Disciplinary Committee shall, in considering the consent order, take into account and give due weight to the fact that the parties are jointly applying for the consent order to be made.
- 5.121 If the Executive Panel or Disciplinary Committee does not approve the proposed consent order, there shall be no reference in any hearing before the Executive Panel or Disciplinary Committee to the negotiations, the proposed consent order or the submissions made to the Executive Panel or Disciplinary Committee, all of which shall be confidential.
- 5.122 Where Rule 5.121 applies, the Executive Panel or Disciplinary Committee constituted to hear the disciplinary charges shall contain no person who was part of the Executive Panel or Disciplinary Committee that considered the consent order.

Schedule 1 – Admission Procedures

Part A – Provisional Application

To ensure the **Exchange** can properly consider any **application** for **admission to trading** the **issuer** must:

- 1.1 For new **issuers**, submit the **Form 1** and/or make a submission via the **SSP** and submit a draft copy of the **prospectus, listing particulars**, circular, announcement or other document relating to the issue, to the **Exchange** (marked for the attention of “Admissions” to admissions@lseg.com) by no later than 12:00 at least ten **business days** prior to the consideration of the **application** for **admission to trading**.
- 1.2 The submission of the **Form 1** and/or any submission via the **SSP** shall be provisional. Formal **application** will only be deemed to be made when a **prospectus** relating to the **securities** to be **admitted to trading** has been approved.
- 1.3 The formal **application** and supporting documentation must be submitted in accordance with Rule 3.3 of Section 3 of the **Standards** and Part B of Schedule 1.

Guidance:

New applicants of **securities** should refer to the early notification requirements in Part 3 of Section 2 of the **Standards**.

Admission of **securities** becomes effective only when the decision of the **Exchange** to admit the **securities** to trading has been announced by the **Exchange** via a **Regulatory Information Service** announcement. (Should the **Regulatory Information Service** suffer an outage, a notice will be made available at the **Exchange's** ground floor reception).

Except where otherwise agreed by the **Exchange**, **applications** for **admission to trading** are considered on **business days** between the hours of 09:00 and 17:30.

An invoice for the **admission** fee will be raised on **admission**. The **admission** fee is calculated in accordance with the **Exchange's** scale of fees (see Rule 4.11 of Section 4 of the **Standards**). Payment of the **admission** fee must be received no later than 30 days after the date of this invoice.

Part B – Formal Application

- 2.1 The following documents must be submitted to the **Exchange** by no later than 12:00 at least two **business days** prior to the consideration of the **application** for **admission to trading**:

 - written confirmation of the number of **securities** to be allotted or issued pursuant to the board resolution should be provided and must be received by the **Exchange** no later than 16:00 on the **business day** before **admission** is expected to become effective. By prior arrangement in writing this may be extended to 07:00 on the day of **admission**. The **applicant** should keep a copy of the resolution on its records for six years.

Guidance:

If the **FCA** has considered an **application** for **listing** and the **securities** the subject of the **application** are not all allotted and **admitted** following the initial allotment of the **securities** (for example, under an **offer for subscription**), further allotments of **securities** may be **admitted** if, before 16:00 on the day before **admission** is sought, the **Exchange** has been informed and the **FCA** has been provided with the information required under **Listing Rule 3.3.4 A R**.

The **Exchange** may require proof of allotment for any **securities** which are being issued on **admission**. A copy of the **applicant's** board minutes allocating such **securities** or confirmation from the **issuer** will suffice in most cases.

The documents required under Part B of Schedule 1 should at least include:

If the **Exchange** approves the **application**, it will **admit to trading** all **securities** which may be issued under the programme within 12 months after the publication of the **prospectus** or **listing particulars**, subject to the **Exchange** receiving:

- (a) advice of the final terms of each issue;
 - (b) electronic copies of any supplementary **prospectus** or **listing particulars**; and
 - (c) confirmation that the **securities** in question have been issued.
- 3.3 The final terms of each issue which is intended to be **admitted to trading** must be submitted in writing to the **Exchange** as soon as possible after they have been agreed and, in any event, no later than 14:00 on the **business day** before **admission** is required to become effective. The final terms may be submitted by the **issuer** or its **designated representative**.

Guidance to paragraphs 3.4 to 3.6

*For each **ETF/ETP admitted to trading** on the **Exchange**, we require at least one registered market maker to provide two-way prices on the **Exchange's order book** from the first day of trading. If no market makers are registered by 15:30 on the **business day** before the **admission** date the **security** will not be **admitted**.*

3.7 **Issuers** of **covered warrants** and **listed structured products** must provide a finalised **Form 1** and/or make a submission via the **SSP**, a pricing supplement, indicative price and a completed trading form (depending on the number of products being launched simultaneously) and any additional forms, as appropriate. If products are to be launched under a new **prospectus** then it must also be provided.

Schedule 2 – When Issued Dealing

1. A provisional “**when issued dealing application form**” (which is available on the **Exchange’s** website) must be submitted via the **SSP**, together with a draft **prospectus**, at least 10 **business days** prior to the day on which the **issuer** is requesting that the **Exchange** consider the **application for when issued dealing**.
2. The final “**when issued dealing application form**” must be submitted (with a draft **stabilisation** notice if appropriate) at least two **business days** prior to the day on which the **issuer** is requesting that the **Exchange** consider the **application for when issued dealing**.
3. On the **business day** prior to the start of **when issued dealing** the **Exchange** must receive:
 - a copy of the **listing particulars**, admission document or **prospectus** or confirmation of the expectation that the **Listing Particulars**, admission document or **prospectus** will be approved by the **FCA** during the first day of **when issued dealing**;
 - confirmation of when allocation is due to take place and an indication of the expected trading price; and
 - the draft **stabilisation** notice, if applicable.

Guidance to Schedule 2

Subject to Rule 3.9 of Section 3 of the **Standards**, **when issued dealing** will only commence once:

- the offer price (where applicable) and allocation details have been publicly announced;
- the **issuer**, or its advisers, have confirmed that they are not aware of any reason why the **listing particulars**, admission document or **prospectus** will not be approved by the **FCA** during the first day of **when issued dealing**; and
- the **Exchange** is satisfied that all relevant regulatory and operational approvals have been obtained by the **issuer**. This includes acceptance of the **security** by the venue in which it is due to settle and, if applicable, the relevant **central counterparty**.

Further guidance on **when issued dealing** can be found on the **Exchange’s** website.

Issuers seeking admission to the **Order book for Retail Bonds** should contact the **Exchange** in respect of any **application for when issued dealing**.

Schedule 3 – Corporate Actions

Timetable for Corporate Actions

1. An **issuer** must contact the Corporate Actions team at the **Exchange** (marked for the attention of the “Corporate Actions Team” and sent to ssn@lseg.com) in advance of any announcement of the timetable for any proposed action affecting the rights of existing holders of its **securities** traded on the **Exchange’s** markets. Except in the case of a dividend timetable notification (which are subject to paragraph 6), the reference to ‘in advance’ means that the **Exchange** should receive the proposed timetable by no later than 09:00 on the day before the proposed announcement. **Issuers** are reminded of their responsibilities in Rules 4.4 and 4.5 of Section 4 of the **Standards**, in particular any information provided to the Corporate Actions Team must be complete, accurate and not misleading.
2. Paragraphs 1 and 3 to 5 do not apply to **issuers** of **depository receipts** or **specialist securities**. **Issuers** of **depository receipts** must observe their obligations under paragraph 8.
3. The **Exchange** may require amendments to the timetable, as and when considered necessary. The **Exchange** will liaise with the **issuer** and its advisers as appropriate.
4. A timetable which has not been cleared in advance with the **Exchange** but which has been announced to the market, may be subject to change if required by the **Exchange**. If this situation occurs a further correcting announcement must be made to the market.
5. Any proposed amendments to a timetable, including amendment to the publication details of any announcement, must be immediately notified to the **Exchange**.
6. In respect of corporate action announcements, the **issuer** must comply with its regulatory disclosure obligations, including under **UK MAR**.
7. The announcement of a corporate action must include the **ISIN** or the Tradable Instrument Display Mnemonics code (TIDM) of the affected **securities**.

Guidance

Paragraphs 1 to 7 (inclusive) relate to proposed timetables for all corporate actions for **securities admitted to trading on the Exchange’s** markets, for example:

- Corporate actions where an ‘**ex**’ date is required (dividends, scrip dividends, DRIPs, DRISs, dividend currency elections, open offers, rights issues, bonus issues, capitalisation issues, return of capital/cash, demergers, enfranchisements).
- Other events for which clearance of timetables is required are:
 - **tender/repurchase offers,**
 - **consolidations, subdivision,**
 - **capital reorganisations,**
 - **schemes of arrangement/schemes of reconstruction,**
 - some types of **conversions/redemptions,** or
 - any other corporate event which could affect the rights of existing holders of **securities admitted to trading on the Exchange’s** markets.
- 8. Where applicable, dividend payments must follow the procedures set out in the following guidance.

Guidance

A dividend timetable which follows the guidelines, as set out in the Dividend Procedure Timetable, as published on the **Exchange’s** website, need not be notified to the **Exchange** in advance, provided the announcement of the dividend includes:

- the amount of the dividend, which unless stated otherwise, is stated as gross;
- the record and payment dates; and
- the availability of any scrip dividend, DRIP or dividend currency option, together with the election date.

Dividends outside of the guidelines as set out in the Dividend Procedure Timetable must be agreed by the **Exchange** in advance of the announcement of the dividend. The **Scrip Dividend** and **DRIP** documentation must also be lodged with the **Exchange**.

*If an announcement is released which does not meet the guidelines as set out in the Dividend Procedure Timetable, and has not been agreed by the **Exchange**, the **issuer** will need to make a further correcting announcement without delay.*

*The term 'dividend' includes all interest payments for **debt securities** (excluding **specialist securities**). An announcement is not required for interest payments, but the **Exchange** must receive notification of any payment no later than seven **business days** prior to the **record date**. This notification must include:*

- the appropriate net or gross amount; and
- the record and payment dates; and
- any conversion period details.

*Where fixed payment details are available, the **issuer** or its agent may use one timetable to inform the **Exchange** of all future payments, providing any subsequent amendments are notified to the **Exchange** immediately.*

*When an **issuer** publishes details of future interest payments, they must notify the **Exchange**.*

Timetable for Open Offer

9. The timetable for an **open offer** must ensure that valid claims through the market can be promptly satisfied and must comply with the following:
 - the **open offer** must remain open for acceptance for at least 10 **business days**. For the purposes of calculating the period of 10 **business days**, the first **business day** is the date on which the offer is first open for acceptance. The **business days** must also exclude the '**ex**' date;
 - where possible, the **open offer record date** should be the **business day** before the expected '**ex**' date. A **record date** preceding the '**ex**' date by more than three **business days** will only be approved in exceptional circumstances; and
 - the announcement by an **issuer** of an **open offer** must take place by no later than 07:00 on the proposed '**ex**' date. Where there are exceptional circumstances, prior written consent from the **Exchange** must be obtained for any later announcement.

As per paragraphs 1 and 2, an **issuer** or its adviser must contact the **Exchange** in advance of any announcement of the timetable for any **open offer**. The reference to 'in advance' means that the **Exchange** should receive the proposed timetable by no later than 09:00 on the day before the proposed announcement. The **Exchange** may require amendments to the timetable, as and when considered necessary. The **Exchange** will liaise with the **issuer** and its advisers as appropriate.

A timetable which has not been cleared in advance with the **Exchange** but which has been announced to the market, may be subject to change if required by the **Exchange**. If this situation occurs a further correcting announcement must be made to the market.

Continuing Obligations for Depositary Receipt Issuers

10. An **issuer** or its **depository bank** should contact the **Exchange** in advance of any announcement of a timetable for any proposed action affecting the rights of existing holders of its **securities** traded on the **Exchange's** markets. The reference to "in advance" means that the **Exchange** should receive the proposed announcement by no later than 09:00 on the day before the proposed announcement.

The **Exchange** may require amendments to the timetable, as and when considered necessary. The **Exchange** will liaise with the **issuer** or **depository bank** as appropriate.

Any proposed amendments to an agreed timetable, including amendment to the published details of any announcement, should immediately be notified to the **Exchange**.

Paragraph 8 and related guidance must be adhered to by an **issuer** or its **depository bank** unless otherwise specifically agreed with, and confirmed by, the **Exchange**.

Guidance

Paragraph 8 relates to proposed timetables for all corporate actions for **depository receipts admitted to trading** on the **Exchange's** markets, for example: corporate actions where an '**ex**' date is required (**bonus issues**, stock distributions, **rights issues**, **demergers/spin offs**).

Issuers will have regard to their domestic regulatory requirements and should discuss possible conflicts between those and **the Standards** with **Exchange** in advance, as **issuers** deem necessary.

Wherever possible the **record date** should be announced in advance and the '**ex**' date for any of the above corporate actions will be determined by the **Exchange**, dependent on the information received and the type of the corporate action proposed.

Other events for which clearance of timetables is required are:

- stock splits,
- **tender/repurchase offers**,
- **capital reorganisations**,
- or any other corporate action which could affect the rights of existing holders of **securities admitted to trading** on the **Exchange's** markets.

Dividends

Dividends for **depository receipts** should be notified to the **Exchange** at least three **business days** prior to the dividend **record date**, to allow the **depository receipt** to be marked Ex Dividend in the normal way, one **business day** prior to the **record date**.

In most circumstances the dividend **record date** for the **depository receipt** will be in line with that of the underlying security. In the event of late notification of the **record date** for the underlying security, or where notice is not received three days prior to the **record date**, the **depository bank** will be required to set a separate **record date** for the **depository receipt** to allow the security to be marked Ex Dividend in line with the above timetable.

Dividend notifications for **depository receipts** should include the following details, where available:

- name of **issuer** declaring dividend
- ISIN or CUSIP number
- whether dividend is an approximate or final rate
- amount of the dividend (should state whether the dividend is net or gross and include both rates (if available))

- name of **depository bank** announcing dividend (including contact details).

Schedule 5 – Admission to Trading Only

An **issuer** that seeks to **admit** its **securities** to **ATT Only** must discuss its eligibility with the **Exchange** in the context of whether it is more appropriate for **admission** to other **Exchange** markets.
