Introduction

- A1. This **Handbook**, which forms part of the **AIM Rules** and governs all proceedings and appeals commenced after 1 October 2018, sets out the procedures to be followed when: (i) the **Exchange** wishes to commence **disciplinary proceedings** against an **AIM company** or **nominated adviser** for a breach of the **AIM Rules**; (ii) an **AIM company**, a **nominated adviser**, or any entity applying to become an **AIM company** or **nominated adviser** wishes to lodge an appeal against either a **non disciplinary decision** of the **Exchange** or a **warning notice**.
- A2. Defined terms used in this **Handbook** shall have the meanings set out in the Glossary to the **AIM Rules** and in the Glossary to this **Handbook**.
- A3. For the purposes of this **Handbook**, the terms:
- A3.1 “**AIM Rules**” shall mean the “AIM Rules for Companies” and the “AIM Rules for Nominated Advisers”, as applicable;
 - A3.2 “**AIM company**” shall include a company that ceases to have a class of securities admitted to trading on **AIM**, over which the **Exchange** retains jurisdiction for the purposes of investigating and taking disciplinary action pursuant to the **AIM Rules**; and
 - A3.3 “**nominated adviser**” shall include a nominated adviser which has been removed from the **register**, over which the **Exchange** retains jurisdiction for the purposes of investigating and taking disciplinary action pursuant to the **AIM Rules**.

Our approach

- A4. The **Exchange's** approach to regulation is aimed at maintaining the integrity, orderliness, transparency and good reputation of its markets and changing behaviour in those markets where necessary. Accordingly, where appropriate, the **Exchange** will bring to account breaches of the **AIM Rules** through disciplinary action, but it may also undertake other work to improve standards and to promote future compliance.
- A5. Following enquiries the **Exchange** may seek to address any identified concerns through one or more of the following: (i) instructing the **AIM company** or **nominated adviser** to take remedial action; (ii) providing education to mitigate the risk of future non compliance; and/or (iii) recording an incidence of non compliance on the **AIM company's** or **nominated adviser's** formal compliance record, held by the **Exchange**, for the purposes of monitoring conduct and for further consideration in the event of future non compliance. None of these steps constitute disciplinary action pursuant to the **AIM Rules**.

Disciplinary action and proceedings

- A6. The **Exchange** will investigate the facts of each case, seeking to understand whether a rule breach occurred and the circumstances. Upon conclusion of its investigation the **Exchange** will decide whether disciplinary action is necessary in each instance.
- A7. The **Exchange** may take formal disciplinary action in the form of a **warning notice**, private censure or public censure, all of which may also include a fine. The range of actions available to the **Exchange** enables it to take appropriate disciplinary action, taking into account the facts and circumstances of each case. Such disciplinary action against an **AIM company** or **nominated adviser** will form part of the disciplinary record held by the **Exchange** of that **AIM company** or **nominated adviser**.
- A8. There are a number of criteria which the **Exchange** takes into account when considering what form of disciplinary action to take in relation to a rule breach. These include, but are not limited to:

- A8.1 the nature and seriousness of the rule breach and the duration and frequency of the misconduct;
 - A8.2 how the rule breach came to light;
 - A8.3 the actual or potential market impact of the rule breach and any other repercussions;
 - A8.4 the extent to which the rule breach was deliberate, reckless or careless;
 - A8.5 the general compliance and disciplinary history of the **AIM company** or **nominated adviser** and the specific history regarding the rule breach in question;
 - A8.6 consistent and fair application of the rules (any precedents of previous similar rule breaches);
 - A8.7 the responsiveness, conduct and co-operation of the **AIM company** or **nominated adviser** in relation to the investigation;
 - A8.8 whether there has been contravention of any prior direction, ruling, instruction or guidance of the **Exchange**.
- A9. The above is a non exhaustive list of indicative criteria considered by the **Exchange** in determining what form of disciplinary action that might be taken. The criteria above does not constitute the basis upon which the **Exchange** may or may not determine to bring disciplinary action. The decision to bring disciplinary action is at the sole discretion of the **Exchange**.
- A10. The expectation is that, having agreed to abide by the **AIM Rules**, including the provisions of this **Handbook**, **AIM companies** and **nominated advisers** will act responsibly and reasonably during an investigation and any subsequent disciplinary process. Where the **AIM company** or **nominated adviser** does not agree with the findings in any formal disciplinary action, it will have the opportunity to be heard pursuant to the process of appeals and disciplinary hearings set out in this **Handbook**.

Non disciplinary decisions and appeals

- A11. The procedures and timeframes in this **Handbook** for the determination of appeals relating to **non disciplinary decisions** reflect the fact that such **non disciplinary decisions** are important to the day-to-day operation of **AIM** on a real time basis.

Panels & Committees

- A12. A number of internal panels and external committees support the operation of the **Exchange's** regulatory framework through the independent determination of appeals and **disciplinary proceedings** in accordance with the procedures and provisions of this **Handbook**.
- A13. Appeals of **non disciplinary decisions** and of **warning notices** are conducted before the **AIM Executive Panel ("AEP")** and **AIM Executive Appeals Panel ("AEAP")**, whose members are comprised of appropriately experienced senior members of the **Exchange's** staff. Members of the **AEP** and **AEAP** shall not be staff members of **AIM Regulation** and shall have had no prior involvement with the subject matter under appeal.
- A14. **Disciplinary proceedings** and any related appeals are conducted before the **AIM Disciplinary Committee ("ADC")** and **AIM Disciplinary Appeals Committee ("ADAC")**. The members of the **ADC** and **ADAC** are drawn from an external pool of individuals, who are independent of the **Exchange** and who have relevant expertise in the standards required to meet the obligations and responsibilities set out in the **AIM Rules** and/or in the conduct of proceedings.
- A15. For the purposes of this **Handbook** all references to:
- A15.1 a "**Panel**" are to the **AEP** and the **AEAP**; and
 - A15.2 a "**Committee**" are to the **ADC** and the **ADAC**.

General provisions

Application and variation of these rules

- B1. The rules set out in these **general provisions** shall apply to all proceedings conducted in accordance with the **Handbook**, as the context so requires.
- B2. A **Panel**, **Committee** or **Chairman** may not vary or dispense with any rule (including as to timing for compliance) in these **general provisions**.
- B3. A **Panel**, **Committee** or **Chairman** may only vary a rule contained in Part One and Part Two of this **Handbook** if: (i) such variation is expressly provided for in that rule; or (ii) in the case of variation of a timescale in that rule, such variation is pursuant to rule B5. The rules in Part Three of this **Handbook** may not be varied.
- B4. Timescales for compliance, as set out in any rule contained in this **Handbook**, should be strictly observed.
- B5. Timescales for compliance with rules F5 and F26 may never be varied. Other timescales contained in Part One and Part Two of this **Handbook** may only be varied in exceptional circumstances, at the discretion of the **Panel**, **Committee** or **Chairman**.

Overriding objective

- B6. When exercising any power pursuant to this **Handbook**, a **Panel**, **Committee** or **Chairman** must have regard to the overriding objective: to ensure the just, efficient and expeditious presentation and determination of the matters in issue, at a proportionate cost, and to act fairly between the **parties** at all times.

Secretary and legal advisers to Panels and Committees

- B7. All **Panels** and **Committees** shall have a **Secretary** appointed by the **Exchange**. The **Secretary** may be a member of the **Exchange's** staff, provided that person: (i) is not a staff member of **AIM Regulation**; and (ii) has had no prior involvement with the subject matter to be determined before the relevant **Panel** or **Committee**. The **Secretary** may also perform the role of a legal adviser in accordance with the provisions of rule B8.
- B8. A legal adviser may be appointed to advise a **Panel**, **Committee** or its **Chairman**. It is not expected that a legal adviser will be appointed to a **Committee** when it has an appointed **Chairman** who is a qualified lawyer. Any legal adviser, who is to be appointed, will not be treated as a member of the **Panel** or **Committee**. The legal adviser shall be selected and appointed by the office of General Counsel of London Stock Exchange Group plc and may be a legally qualified member of the **Exchange's** staff, provided that person: (i) is not a staff member of **AIM Regulation**; and (ii) has had no prior involvement with the subject matter to be determined before the relevant **Panel**, **Committee** or its **Chairman**. The legal adviser may also perform the role of a **Secretary** in accordance with the provisions of rule B7.

Conflicts of interest

- B9. A **party** may object to the appointment of an individual member of a **Panel** or **Committee** on the grounds of alleged conflict of interest. The procedures for raising and determining such objection shall be as follows:
- B9.1 if a **party** considers that any member of a **Panel** or **Committee** has a conflict of interest, that **party** shall promptly, and in any event: (i) within 5 **business days** of being notified of the appointment of that member to a **Panel**; or (ii) within 20 **business days** of being notified of the appointment of that member to a **Committee**, raise a written objection with the **Secretary**, copied to the other **party**. Such written objection shall set out:
- B9.1.1 the relevant facts or circumstances upon which the objection is based; and
- B9.1.2 the nature of the alleged conflict of interest and the reason why the alleged conflict of interest is such that the member objected to should be replaced.

- B9.2 If no written objection is raised by a **party** in accordance with rule B9.1, that **party** shall be deemed to have waived the right to raise any alleged conflict of interest. An objection may be raised at a later stage if: (i) the alleged conflict of interest arises from facts or circumstances of which the objecting **party** could not reasonably have been aware at the time of being notified of the appointment of the relevant member of the **Panel** or **Committee**; and (ii) such objection is raised with the **Secretary** within 5 business days of the **party** becoming aware of the relevant facts or circumstances. The written objection shall include the same information as that required pursuant to rules B9.1.1 and B9.1.2 and be copied to the other **party**.
- B9.3 In the event that an objection is received by the **Secretary** pursuant to the provisions of rule B9.1 or rule B9.2, the **Secretary** shall proceed to provide details of the **party's** objection to the **Chairman** of the relevant **Panel** or **Committee** (including if that objection is to the **Chairman's** appointment).
- B9.4 Upon receipt of such objection, the **Chairman** shall do one of the following:
- B9.4.1 if the **Chairman** is satisfied that the matters identified pursuant to rules B9.1.1 and B9.1.2 are such that a fair-minded and informed observer would conclude that there is a real possibility that the relevant **Panel** or **Committee** member is biased, then the **Chairman** will uphold the **party's** objection. The **Secretary** shall then take steps to arrange for the replacement of the relevant **Panel** or **Committee** member; or
 - B9.4.2 dismiss the **party's** objection.
- B9.5 Any determination of the **Chairman** pursuant to rule B9.4 shall be final with no right of appeal.

Hearings

- B10. References to a "hearing" in this **Handbook** include: (i) the final hearing of any substantive matter; or (ii) any hearing to determine a preliminary, procedural or case management issue, as the context so requires. Such hearings may be in person, or conducted via telephone or video conferencing facilities.
- B11. All hearings shall be conducted in private.

Quorum and powers of the Chairman

- B12. Subject to rule B13, all **Panels** and **Committees** shall have a quorum of 3 members, including a **Chairman**. The maximum number of members of a **Panel** or **Committee** shall be 7.
- B13. Save for those determinations, directions and orders which are expressly reserved under these rules to a full **Panel** or **Committee**:
- B13.1 determinations, directions or orders may be made by either a **Chairman** alone or by a full **Panel** or **Committee**; and
 - B13.2 determinations, directions or orders which are made by a **Chairman** alone shall be construed, treated and read as if made by the full **Panel** or **Committee**.

Burden of proof

- B14. The burden of proof in appeals to the **AEP**, **AEAP** or **ADAC** shall be on the **Appellant**. For **disciplinary proceedings** before the **ADC**, the burden of proof shall be on the **Exchange**.

Rules of evidence

- B15. A **Panel**, **Committee** or its **Chairman** may admit any evidence as it sees fit, whether or not such evidence would be admissible in a court of law, and may attach such weight to the evidence and to the submissions of the **parties** as it considers appropriate.

New evidence

B16. In considering the exercise of powers pursuant to rules C16, C51, D21 and D50, a **Panel, Committee** or its **Chairman** may, in exceptional circumstances only, permit new evidence to be adduced if it is satisfied as to all of the below:

- B16.1 that it is relevant to the issues to be determined;
- B16.2 that it could not have been reasonably identified and adduced by the **party** seeking to rely on it at an earlier date; and
- B16.3 that the relevance and probative value of the evidence is such that the prejudice caused by the refusal of permission outweighs the prejudice caused by the late granting of it.

Proceeding in absence

B17. In the event that a **party** fails to attend any scheduled hearing, at the discretion of the **Panel or Committee** (or, if sitting alone, a **Chairman**), the hearing may be conducted in that **party's** absence.

Presence during hearings

B18. A **Panel, Committee** or its **Chairman** may impose such conditions or restrictions on the presence of a **party**, or a witness, at a hearing as are considered appropriate including:

- B18.1 restricting the maximum number of individuals present throughout the hearing for the purposes of presenting a **party's** case or providing instructions; and
- B18.2 excluding a specific individual or individuals from being present during the hearing or any part of the hearing, as the circumstances may require, for example to: (i) prevent the disruption of the orderly running of the hearing; or (ii) protect the privacy and confidentiality of the hearing.

Adjournments

B19. A **Panel, Committee** or its **Chairman** may adjourn any hearing of its own motion or upon the application of a **party** where considered appropriate, having regard to all the circumstances, including any prejudice caused to the **parties** by the grant or refusal of the adjournment. Wherever possible prior to making a determination, a **Panel, Committee** or **Chairman** will request representations from all **parties**.

Determinations and deliberations

B20. Determinations and directions which are reserved to a full **Panel** or **Committee** may be reached on a majority basis. Where a majority determination is reached, this will not be disclosed. A **Panel** or **Committee** may deliberate at any time during the course of a hearing and in the absence of the **parties**.

Record of hearings

B21. A record will be made of any hearing. A **party** may request a record or, where available, a transcript from the **Secretary**. Any such request shall be considered by the **Chairman** of the relevant hearing, who may impose such conditions as to the confidentiality, distribution, and use of that record or transcript as the **Chairman** considers appropriate having regard to: (i) the purpose of the request; and (ii) the provisions of rule B30. Any costs of preparing the record or transcript shall be borne by the requesting **party**.

Costs and fines

B22. A **Panel, Committee** or its **Chairman** shall comply with the relevant rules contained in Part Three of this **Handbook** when considering any order for costs and/or a fine.

B23. Prior to any order for costs and/or a fine, the **parties** shall be afforded the opportunity to make submissions on: (i) liability for, and the quantum of, costs; and (ii) the quantum of any fine.

Payment of costs and fines

B24. Subject to rule B25, any order for costs and/or a fine shall be paid by the relevant **party** within 30 **business days** of the date of such order.

- B25. In the event that a **party** commences an appeal to the **AEAP** or **ADAC**, any order for costs and/or a fine made in the proceedings to which the appeal relates shall be stayed until the appeal is determined or otherwise dispensed with.

Service

- B26. References to **service** or **serve** in these rules shall be to **service** by first class post or by hand. A **party** shall also send to the receiving **party** a copy by email of any communications and documents required to be **served** (save where the **Exchange** does not hold a current email address of the other **party**). Such provision by email shall not constitute **service**.
- B27. Communications or documents which are not expressly required by these rules to be **served** may be provided by first class post, by hand or by email.
- B28. The address for **service** or delivery of communications or documents shall be as follows:

By first class post or by hand

- B28.1 **AIM company** or **applicant**: to the registered office of the **AIM company** or **applicant** or, if a **nominated adviser** is retained by that **AIM company** or **applicant**, to the registered office address of that **nominated adviser**, or to such other address as an **AIM company** or **applicant** may nominate in writing;
- B28.2 **nominated adviser**: to the registered office of the **nominated adviser** or such other address as the **nominated adviser** may nominate in writing;
- B28.3 **Exchange**: to the registered office of the **Exchange** marked for the attention of **AIM Regulation**.

By email

- B28.4 **AIM company** or **applicant**: to such email address of the **AIM company** or **applicant** held in the **Exchange's** records or, if a **nominated adviser** is retained by that **AIM company** or **applicant**, to the email address of the **nominated adviser** held in the **Exchange's** records or such other email address as an **AIM company** or **applicant** may nominate in writing;
- B28.5 **nominated adviser**: to such email address of the **nominated adviser** held in the **Exchange's** records or such other address the **nominated adviser** may nominate in writing;
- B28.6 **Exchange**: to aimregulation@lseg.com;
- B28.7 **Secretary**: to CaseSecretary@lseg.com.

Time of Service

- B29. **Service** by first class post shall be deemed to be effected two **business days** after posting. **Service** by hand shall be deemed to be on the **business day** of delivery, or if delivery is after 18:00 (UK time), on the next **business day**.

Confidentiality

- B30. Other than as provided for in this **Handbook**, each **party** (which shall include any professional adviser, employee or agent of the **party**) shall keep confidential any matters relating to any proceedings, save where:
- B30.1 disclosure is required by law;
- B30.2 such disclosure is pursuant to: (i) rule 22 and related guidance notes or rule 23 of the **AIM Rules for Companies**; or (ii) rule 19 of the **AIM Rules for Nominated Advisers**; or
- B30.3 disclosure is reasonably required for the conduct of a **party's** case. Any such disclosure by the disclosing **party** shall only be made by that **party** subject to enforceable obligations of confidentiality.
- B31. Any non compliance by an **AIM company** or **nominated adviser** (including any breach of confidentiality by any person to whom disclosure is made pursuant to rule B30.3) shall be taken

into account by a **Panel** or **Committee** when determining any order for costs. Without prejudice to the aforementioned, an **AIM company** or **nominated adviser** may also be subject to additional disciplinary action for non compliance with rule B30.

Publication of disciplinary actions and market guidance

B32. Further and additional to any publication pursuant to the provisions of Part One of this **Handbook**, the **Exchange** reserves the right to publish, in part, in summary or in full:

- B32.1 the findings of any **Committee**;
- B32.2 details of any private or public censure; or
- B32.3 details of a **warning notice** issued by the **Exchange**,

save that any details published with respect to a private censure or **warning notice** shall be published without disclosing the identity of any **party** concerned.

Part One - Disciplinary actions, proceedings and related appeals

Appeals of a warning notice

Introduction

- C1. These rules and procedures, together with the rules in the **general provisions**, apply to an appeal of a **warning notice** before an **AEP** and any related appeal to an **AEAP** of that **AEP's** final determination. Unless otherwise directed: (i) appeals before the **AEP** will be considered and determined at a hearing; and (ii) appeals before the **AEAP** will be considered and determined on the papers.

Mode of referral to the AIM Executive Panel

Permissible grounds of appeal

- C2. Appeals to the **AEP** of a **warning notice** may only be made on one or more of the following grounds:
- C2.1 that the findings of fact or of breach of the **AIM Rules** set out in the **warning notice** were unsupported by the information or evidence upon which such findings were based; and/or
 - C2.2 the findings of breach in the **warning notice** involved a misinterpretation or erroneous application of the **AIM Rules** by the **Exchange**.

Commencement of appeals

- C3. An **Appellant** seeking to appeal a **warning notice** shall **serve** notice to the **Exchange** in writing, copied to the **Secretary**, in the form prescribed in **Appendix 1**, together with copies of any relevant documents upon which the **Appellant** relies.
- C4. The information and documents **served** pursuant to rule C3 shall together comprise the **Appellant's Notice**.
- C5. The **Appellant's Notice** must be **served** within 15 **business days** of the **warning notice** being communicated to the **Appellant** by the **Exchange**.

Status of warning notice

- C6. The **warning notice** under appeal shall remain in full force and effect pending determination of the appeal by the **AEP** and, where applicable, any subsequent appeal to the **AEAP**.

Convening the AIM Executive Panel

- C7. The **Secretary** shall take steps to convene an **AEP** and communicate to the **parties** the membership of the convened **AEP** and name of the person appointed as **Chairman**.
- C8. The **Secretary** shall ensure that the **Chairman** is provided with a copy of the **Appellant's Notice**.

Preliminary issues

- C9. The **Chairman** shall decline to hear an appeal in the event that:
- C9.1 the **Appellant's Notice** does not disclose any permissible grounds of appeal; and/or
 - C9.2 the **Appellant's Notice** has not been validly **served**: (i) within the specified 15 **business day** timeframe for **service** pursuant to rule C5 or any extended timeframe ordered pursuant to rule B3; and/or (ii) in accordance with the **general provisions of service**; and/or

- C9.3 the appeal has no real prospect of success.
- C10. The **Chairman** may decline to hear an appeal in the event that the **Appellant's Notice** and supporting submissions do not adequately particularise the reasons and material facts upon which the **Appellant** relies as the basis for any pleaded ground of appeal.
- C11. The **Chairman** shall determine any preliminary issues on the papers.
- C12. The **Chairman's** determination pursuant to rule C11 shall be final with no right of appeal.

Procedural rules of the AIM Executive Panel

Exchange's Response

- C13. Provided the **Chairman** has not declined to hear the appeal, the **Chairman** shall direct the date by which the **Exchange** may submit any written response to the **Appellant's Notice**. The date for submission shall not be sooner than 15 **business days** from the date of the **Chairman's** direction.
- C14. Any written response by the **Exchange** shall be provided to the **Appellant**, copied to the **Secretary**, and shall:
- C14.1 particularise the reasons upon which the grounds of appeal in the **Appellant's Notice** are opposed and set out the material facts upon which the **Exchange** relies; and
 - C14.2 append a copy of any additional relevant documents upon which the **Exchange** relies.
- C15. The information and documents provided pursuant to rule C14 shall comprise the **Exchange's Response**.

Case management and procedural directions

- C16. Unless otherwise directed by the **AEP** or its **Chairman**, or by agreement between the **parties**, no **party** may adduce evidence in any appeal to the **AEP** which was not previously appended to that **party's Appellant's Notice** or to the **Exchange's Response** (as applicable).
- C17. There shall be no witness evidence for the purpose of proceedings before the **AEP** unless the **AEP** or its **Chairman** is satisfied that there are exceptional circumstances to permit such witness evidence.
- C18. For appeals to be determined at a hearing the **Chairman** shall:
- C18.1 direct the **Secretary** to request the **parties** to provide a list of the dates to avoid for the purposes of scheduling any hearing of the appeal. In the event that a **party** does not provide dates to the **Secretary** within the timescale requested, a hearing date may be finalised without further reference to that **party's** availability; and
 - C18.2 direct the date, time, format and venue for any hearing of the appeal by the **AEP**.
- C19. In the event that the **Chairman** directs that the appeal is to be determined on the papers, the **Chairman** shall give directions for the provision of the appeal bundle and the **parties'** written submissions.
- C20. The date of the **AEP's** consideration of the appeal, whether at a hearing or on the papers shall, in either case, not be sooner than 15 **business days** after the date directed for provision of the **Exchange's Response**.
- C21. The **AEP** or its **Chairman** may make such other case management or procedural directions considered appropriate.

Appeal bundle

- C22. The **Exchange** shall prepare and provide the **Secretary** with copies of the appeal bundle that, unless otherwise directed by the **AEP** or its **Chairman**, shall contain:

- C22.1 the **Appellant's Notice** and any documents appended to it;
 - C22.2 the **Exchange's Response** and any documents appended to it;
 - C22.3 any new evidence adduced for which permission has been granted pursuant to rule C16; and
 - C22.4 copies of any previous directions of the **AEP** or its **Chairman** and relevant communications between the **parties** and the **Secretary**.
- C23. Unless otherwise directed by the **Chairman**, not later than 7 **business days** in advance of the appeal hearing or the date of any determination on the papers, the **Secretary** shall provide:
- C23.1 two copies of the appeal bundle to the **Appellant**; and
 - C23.2 a copy for each member of the **AEP**.

Written submissions

- C24. Unless otherwise directed by the **Chairman**, each **party** shall provide to the **Secretary** any written submissions by 16:00 (UK time) 5 **business days** prior to the scheduled date when the **AEP** proposes to determine the appeal at a hearing or on the papers. All written submissions shall contain cross-references to the appeal bundle, where relevant.
- C25. The **Secretary** will simultaneously provide the **parties** and the **AEP** with a copy of each **party's** written submissions.

Information requests by the AIM Executive Panel

- C26. The **AEP** may direct a question to, or request further information from, any **party** at any time. The **AEP** may, in its discretion, draw an adverse inference in respect of a **party's** failure to respond to any questions or further information requests directed of it.

Conduct of AIM Executive Panel hearings

- C27. The **AEP** or its **Chairman** may make such directions with regard to the conduct of and procedures at the hearing as the **AEP** considers appropriate.
- C28. Unless otherwise directed by the **AEP** or its **Chairman**, any oral submissions of the **parties** shall be limited to supplementing or clarifying matters set out in the **parties'** respective notice or response and written submissions.
- C29. Following conclusion of the appeal hearing, the **AEP** will then retire and proceed with its deliberations and determinations in private.

Determination of appeals by the AIM Executive Panel

- C30. The **AEP** may only determine an appeal against a **warning notice** by:
- C30.1 upholding the findings of fact and breaches of the **AIM Rules** set out in the **warning notice** and dismissing the appeal; or
 - C30.2 allowing the appeal, or part thereof, if it is satisfied that one or more of the grounds in the **Appellant's Notice** are made out on the balance of probabilities.
- C31. In the event that the **AEP** dismisses an appeal pursuant to rule C30.1 the **AEP** shall uphold the **warning notice** and may in addition do one of the following:
- C31.1 uphold any accompanying fine imposed when the **warning notice** was issued by the **Exchange**; or
 - C31.2 if not previously imposed, impose a fine; or
 - C31.3 increase or decrease the level of any previously imposed fine; or
 - C31.4 if the **AEP** is satisfied that the facts, breaches and circumstances are sufficiently serious to merit consideration by the **ADC**, remit the **warning notice** back to the

Exchange for reconsideration as to whether **disciplinary proceedings** should be commenced. The **warning notice** and any accompanying fine shall continue to be in full force and effect at all times thereafter unless, following such reconsideration, the **Exchange** commences **disciplinary proceedings**, in which case, the **warning notice** shall be treated as having been rescinded.

C32. In the event that the **AEP** allows the appeal, or part thereof, pursuant to rule C30.2, it shall then determine whether to:

C36. There is no right of appeal to an **AEAP** of any case management or other procedural directions of an **AEP** or its **Chairman**.

C37. There is no right of appeal to an **AEAP** solely on liability for costs and/or quantum of any costs order of the **AEP**.  - C44.3 the appeal has no real prospect of success.

- C66. In the event that the **AEAP** allows the appeal pursuant to rule C65.2 it shall then determine whether to:
- C66.1 uphold the **AEP's** determination, or part thereof, for such other reasons as the **AEAP** may determine in its discretion; or

- C71. The **Chairman** shall determine any application pursuant to rule C70 on the papers and, in the event of discontinuance being directed, proceed to provide necessary directions for the **AEP** or **AEAP** (as applicable) to determine any costs order.

Introduction

- D1. These rules and procedures, together with the rules in the **general provisions**, apply to **disciplinary proceedings** before an **ADC** and any related appeals to an **ADAC** of an **ADC Disciplinary Determination**. Any proceedings before the **ADC** and **ADAC** shall be considered and determined at a hearing.

Mode of referral to the AIM Disciplinary Committee

Commencement and notification of disciplinary proceedings

- D2. **Disciplinary proceedings** shall be commenced by **service** of a **Statement of Case** by the **Exchange** on a **Respondent**, copied to the **Secretary**.
- D3. The **Statement of Case** shall: (i) set out the relevant facts upon which the **Exchange** relies; and (ii) particularise the alleged breaches of the **AIM Rules** by the **Respondent**.
- D4. The **Statement of Case** shall have appended to it copies of relevant core supporting documents, cross referenced in the **Statement of Case**.
- D5. An **AIM Disciplinary Commencement Notice** shall be published by the **Exchange** as soon as reasonably practicable after **service** of the **Statement of Case**.

Joinder

- D6. The **Exchange** may, in its discretion, refer **disciplinary proceedings** involving more than one **AIM company** or **nominated adviser** for determination simultaneously by the same **ADC**.

Convening an ADC

- D7. As soon as reasonably practicable, the **Secretary** shall proceed to take steps to convene an **ADC** and communicate to the **parties** the membership of the convened **ADC** and name of the person appointed as **Chairman**.

Procedural rules of the AIM Disciplinary Committee

Statement of Defence

- D8. Within 30 **business days** of **service** of the **Statement of Case**, the **Respondent** may **serve** upon the **Exchange**, a **Statement of Defence**, copied to the **Secretary**.
- D9. Any **Statement of Defence** shall particularise:
- D9.1 Whether the **Respondent** admits, denies, or neither admits nor denies: (i) the relevant facts relied upon by the **Exchange**; and (ii) the alleged breaches of the **AIM Rules** particularised in the **Statement of Case**, by reference to the relevant sections and paragraphs of the **Statement of Case**.
- D9.2 If the **Respondent**: (i) denies or does not admit any of the relevant facts relied upon by the **Exchange** in the **Statement of Case**; and/or (ii) denies or does not admit any alleged breach of the **AIM Rules** set out in the **Statement of Case**, it shall set out the reason for such denial or non-admission, together with any additional facts upon which the **Respondent** intends to rely.
- D10. The **Statement of Defence** shall have appended to it copies of all relevant supporting documents (excluding any documents that have already been appended to and **served** with the **Statement of Case**), cross referenced in the **Statement of Defence**.

- D11. Within 20 **business days** of receipt of the **Statement of Defence** the **Exchange** may submit any additional documents upon which it intends to rely. Such additional documents shall be provided by the **Exchange** to the **Respondent**, copied to the **Secretary**.

Failure to submit a Statement of Defence

- D12. If a **Respondent** fails to submit a **Statement of Defence** the **Respondent** shall be deemed to have: (i) admitted all of the relevant facts relied upon by the **Exchange**; but (ii) shall be deemed to have made no admission of the alleged breaches of the **AIM Rules** set out in the **Statement of Case**. In such circumstances, the **Chairman** shall proceed to make necessary directions for the **ADC** to deliberate and make determinations on whether the alleged breaches of the **AIM Rules** set out in the **Statement of Case** are made out on the basis of the facts which are deemed to be admitted pursuant to this rule. Unless otherwise directed, the **ADC** shall proceed with such deliberations and make such determinations on the papers.

Scheduling of a Case Management Conference

- D13. Where a **Statement of Defence** has been served pursuant to rule D8, a **CMC** shall take place in accordance with the provisions of rules D14 - D17.
- D14. The date of the **CMC** shall be not earlier than 60 **business days** following the date of **service** of the **Statement of Defence**. The **Secretary** will request that the **parties** provide a list of those dates to avoid for the purposes of scheduling a date for the **CMC**. In the event a **party** does not provide dates to the **Secretary** within the timescale requested, the date for the **CMC** may be finalised without further reference to that **party's** availability.
- D15. The **Chairman** shall direct the date, time, format and venue for the **CMC**.

Case Management Memorandum

- D16. Not later than 20 **business days** prior to the scheduled date of the **CMC** each **party** shall submit to the **Secretary** a completed **CMM** in the form set out in **Appendix 3**, which the **Secretary** will simultaneously provide to each other **party** and to the **Chairman**.
- D17. In the event that a **party** fails to submit a **CMM**, in accordance with rule D16, the **Chairman** may in his or her discretion decline to hear any representations at the **CMC** from that **party** as to any directions.

Case management and procedural directions

- D18. At the **CMC**, or as soon as reasonably practicable thereafter, the **Chairman** or the **ADC** shall: (i) determine and give directions about steps which are to be taken to secure the progress of the **disciplinary proceedings**, having regard to any submitted **CMM** provided pursuant to rule D16 and the indicative directions and timetable at **Appendix 4**; and (ii) shall direct the date for the substantive hearing of the **disciplinary proceedings** by the **ADC**.
- D19. Variations of, or additions to, case management and procedural directions shall only be ordered if the variation or addition is required due to new circumstances arising since the original case management or procedural direction was made.

Compliance with case management and procedural directions

- D20. The **parties** must comply with any direction of the **Chairman** or the **ADC** (including as to timing of such compliance). If in the opinion of the **ADC**, a **party** has failed to comply with directions without good reason, the **ADC** may in its discretion:
- D20.1 take such non compliance into account when determining any order for costs; and/or
- D20.2 deny that **party** the opportunity to adduce evidence or rely on written submissions at the substantive hearing which have not been submitted in accordance with any previous directions or directed timescales.

New evidence

- D21. Unless otherwise directed by the **ADC** or its **Chairman**, or by agreement between the **parties**, no **party** may adduce evidence not provided with their **Statement of Case** (or pursuant to rule D11) or **Statement of Defence** or exhibited in witness evidence.

Expert Evidence

D22. The **Chairman** or the **ADC** may give permission for expert evidence, but it will not usually be required. When determining whether to permit a **party** to adduce expert evidence the **Chairman** or the **ADC** shall have regard to:

- D22.1 the subject matter of the **disciplinary proceedings**;
- D22.2 the likely issues to be determined by the **ADC** at the hearing of the **disciplinary proceedings** and whether expert evidence is necessary to resolve them;
- D22.3 the expertise and knowledge of the members of the **ADC** itself; and
- D22.4 whether the cost of such expert evidence is proportionate to the issues in dispute.

Non attendance of a witness

D23. Where any person upon whose evidence a **party** intends to rely fails to attend any hearing for the purposes of giving oral evidence, any witness statement of that person shall not be taken into account unless the **ADC** determines to admit the witness statement into evidence. If admitted into evidence, the **ADC** shall attach such weight to the witness statement as it considers appropriate. In doing so it shall take into account: (i) the lack of opportunity afforded to the other **party** to cross-examine the witness; (ii) the lack of opportunity afforded to the **ADC** to ask questions of the witness; and (iii) any other relevant matters.

Information requests by the AIM Disciplinary Committee

D24. The **ADC** may direct a question to, or request further information from, any **party** at any time. The **ADC** may in its discretion draw an adverse inference in respect of a **party's** failure to respond to any questions or further information requests directed of it.

Discontinuance of disciplinary proceedings

D25. The **Exchange** may, in its discretion, discontinue any **disciplinary proceedings** at any time following commencement by way of written notification to the **Secretary**, copied to the **Respondent**. In such circumstances, the **Chairman** shall proceed to provide necessary directions for the **ADC** to determine any costs order.

D26. Following discontinuance and the determination of any order for costs, the **Exchange** shall publish a notice confirming discontinuance of the **disciplinary proceedings** and may in its discretion provide reasons for doing so.

Conduct of AIM Disciplinary Committee hearings

D27. The **ADC** may make such directions with regard to the conduct of and procedures at the hearings as the **ADC** considers appropriate.

Deliberations and determinations by the AIM Disciplinary Committee

D28. Following the presentation of each **party's** evidence and any submissions, the **ADC** will retire to deliberate and reach its determination regarding the alleged breaches of the **AIM Rules** set out in the **Statement of Case**. The **ADC** shall not find an allegation of breach proven unless it is satisfied on the balance of probabilities.

D29. The **ADC's** determination pursuant to rule D28, or where applicable rule D12, will be communicated to the **parties** as soon as practicable. The **ADC** shall proceed to provide necessary directions for the determination of any costs and fines orders.

The ADC Disciplinary Determination

D30. The **ADC's** final determination together with any fine and costs order shall form the **ADC Disciplinary Determination**. The **ADC Disciplinary Determination** shall take effect from the date on which it is communicated to the **parties**.

- D31. As soon as reasonably practicable after the **ADC Disciplinary Determination** has come into effect pursuant to rule D30, the **Exchange** shall publish an **AIM Disciplinary Outcome Notice**. The **AIM Disciplinary Outcome Notice** shall be published irrespective of the commencement by a **party** of any subsequent appeal of the **ADC Disciplinary Determination** to the **ADAC**.

Appeals to the AIM Disciplinary Appeals Committee

- D32. Either **party** to **disciplinary proceedings** may appeal an **ADC Disciplinary Determination** to the **ADAC**. Such appeal to the **ADAC** shall not be a rehearing, but a review by the **ADAC** of the **ADC Disciplinary Determination**.
- D33. There is no right of appeal to an **ADAC** of any case management or other procedural directions of an **ADC** or its **Chairman**.
- D34. There is no right of appeal to an **ADAC** solely on liability for and/or quantum of a costs order of the **ADC**. The **ADAC** shall determine any consequential matters relating to a costs order of the **ADC** when determining the question of the costs of the proceedings before the **ADAC**.

Mode of referral to the AIM Disciplinary Appeals Committee

Permissible grounds of appeal

- D35. Appeals of an **ADC Disciplinary Determination**, or part thereof, to the **ADAC** may only be made on one or more of the following grounds:

- D36. An **Appellant** seeking to appeal an **ADC Disciplinary Determination**, or part thereof, shall **serve** notice in writing to the **Secretary**, in the form prescribed in **Appendix 5**, copied to the **Respondent**.

- D38. The **Appellant's Notice** must be **served** within 15 **business days** of the effective date of the **ADC Disciplinary Determination** pursuant to rule D30.

Status of an ADC Disciplinary Determination

- D39. The **ADC Disciplinary Decision** under appeal shall remain in full force and effect pending determination of the appeal, save for any stay of an order for costs and fine pursuant to the provisions of rule B25.

Convening the AIM Disciplinary Appeals Committee

- D40. The **Secretary** shall proceed to take steps to convene an **ADAC** and communicate to the **parties** the membership of the convened **ADAC** and name of the person appointed as **Chairman**.
- D41. The **Secretary** shall ensure that the **Chairman** is provided with a copy of the **Appellant's Notice**.
- D42. The **Secretary** will request that the **parties** provide a list of those dates to avoid for the purposes of scheduling a hearing of the appeal. In the event that a **party** does not provide dates to the **Secretary** within the timescale requested, a hearing date may be finalised without further reference to that **party's** availability.

- D43.1 the **Appellant's Notice** does not disclose any permissible grounds of appeal; and/or

- D43.3 the appeal has no real prospect of success.

D44. The **Chairman** may decline to hear an appeal in the event that the **Appellant's Notice** and supporting submissions do not adequately particularise the reasons and material facts upon which the **Appellant** relies as the basis for any pleaded ground of appeal.

D45. The **Chairman** shall determine the preliminary issues on the papers.

- G12.2. That the level of any fine should reflect the nature, circumstances and gravity of the breaches and of the **Respondent's** conduct.
