## Part One – AIM Rules

### Retention and role of a nominated adviser

Deleted: Eligibility for AIM

1. In order to be eligible for AIM, an applicant must appoint a nominated adviser and an AIM company must retain a nominated adviser at all times.

Deleted: A

The nominated adviser is solely responsible to the Exchange for assessing the appropriateness of an applicant (or an AIM company when appointed nominated adviser to an existing AIM company) for AIM and for advising and guiding an AIM company on its responsibilities under these rules.

The responsibilities of nominated advisers are set out in the AIM Rules for Nominated Advisers.

If an AIM company ceases to have a nominated adviser the Exchange will suspend trading in its AIM securities. If within one month of that suspension the AIM company has failed to appoint a replacement nominated adviser, the admission of its AIM securities will be cancelled.

### Applicants for AIM

#### Pre-admission announcement

2. An applicant must provide the Exchange, at least ten business days before the expected date of admission to AIM, with the information specified by Schedule One.

A quoted applicant must provide the Exchange, at least twenty business days before the expected date of admission to AIM, with the information specified in Schedule One and its supplement.

If there are any changes to such information prior to admission, the applicant must advise the Exchange immediately by supplying details of such changes. Where, in the opinion of the Exchange, such changes result in the information being significantly different from that originally provided, the Exchange may delay the expected date of admission for a further ten business days (or twenty business days in the case of a quoted applicant).

The Exchange will notify RNS of information it receives under this rule.

#### Admission document

3. An applicant must produce an admission document disclosing the information specified by Schedule Two. This document must be available publicly, free of charge, for at least one month from the admission of the applicant's securities to AIM.

A quoted applicant is not required to produce an admission document unless otherwise required by the Prospectus Rules.

#### Omissions from admission documents

4. The Exchange may authorise the omission of information from an admission document (other than a Prospectus) of an applicant where its nominated adviser confirms that:

- ◆ the information is of minor importance only and not likely to influence assessment of the **applicant's** assets and liabilities, financial position, profits and losses and prospects; or
- ◆ disclosure of that information would be seriously detrimental to the **applicant** and its omission would not be likely to mislead investors with regard to facts and circumstances necessary to form an informed assessment of the **applicant's** securities.

### Application documents

5. At least three **business days** before the expected date of **admission**, an **applicant** must pay the **AIM fee** and submit to the **Exchange** a completed **application form** and an electronic version of its **admission document**. These must be accompanied by the **nominated adviser's declaration required by the AIM Rules for Nominated Advisers**.

Deleted: a

At least three **business days** before the expected date of **admission**, a **quoted applicant** must pay the **AIM fee** and submit to the **Exchange** an electronic version of its latest report and accounts and a completed **application form**. These must be accompanied by the **nominated adviser's declaration required by the AIM Rules for Nominated Advisers**.

### Admission to AIM

6. **Admission** becomes effective only when the **Exchange** issues a **dealing notice** to that effect.

### Special conditions for certain applicants

#### Lock-ins for new businesses

7. Where an **applicant's** or **quoted applicant's** main activity is a business which has not been independent and earning revenue for at least two years, it must ensure that all **related parties** and **applicable employees** as at the date of **admission** agree not to dispose of any interest in its securities for one year from the **admission** of its securities.

This rule will not apply in the event of an intervening court order, the death of a party who has been subject to this rule or in respect of an acceptance of a take-over offer for the **AIM company** which is open to all **shareholders**.

#### Investing companies

8. Where the **applicant** or **quoted applicant** is an **investing company**, a condition of its **admission** is that it raises a minimum of £3 million in cash via an equity fundraising on, or immediately before, **admission**.

#### Other conditions

9. The **Exchange** may make the **admission** of an **applicant** or **quoted applicant** subject to a special condition.

Where matters are brought to the attention of the **Exchange** which could affect an **applicant's** or **quoted applicant's** appropriateness for **AIM**, it may delay an **admission**. The **Exchange** will inform the **applicant's** or **quoted applicant's** **nominated adviser** and may **notify RNS** that it has asked the **applicant** or **quoted applicant** and its **nominated adviser** to undertake further due diligence.

Deleted: and its

The **Exchange** may refuse an **admission** to **AIM** if it considers that:

- the **applicant** or **quoted applicant** does not or will not comply with any special condition which the **Exchange** considers appropriate and of which the **Exchange** has informed the **applicant's** **nominated adviser**; or
- the **applicant** or **quoted applicant's** situation is such that **admission** may be detrimental to the orderly operation or reputation of **AIM**

Deleted: and its

### Principles of disclosure

10. The information which is required by these rules must be **notified** by the **AIM company** no later than it is published elsewhere. An **AIM company** must retain a **Regulatory Information Service** provider to ensure that information can be **notified** as and when required.

An **AIM company** must take reasonable care to ensure that any information it **notifies** is not misleading, false or deceptive and does not omit anything likely to affect the import of such information.

It will be presumed that information **notified** to a **Regulatory Information Service** is required by these rules or other legal or regulatory requirement, unless otherwise designated.

### General disclosure of price sensitive information

11. An **AIM company** must issue **notification** without delay of any new developments which are not public knowledge concerning a change in:

- ◆ its financial condition;
- ◆ its sphere of activity;
- ◆ the performance of its business; or
- ◆ its expectation of its performance,

which, if made public, would be likely to lead to a substantial movement in the price of its **AIM securities**.

### Disclosure of corporate transactions

#### Substantial transactions

12. A substantial transaction is one which exceeds 10% in any of the **class tests**. It includes any transaction by a subsidiary of the **AIM company** but excludes any transactions of a revenue nature in the ordinary course of business and transactions to raise finance which do not involve a change in the fixed assets of the **AIM company** or its subsidiaries.

An **AIM company** must issue **notification** without delay as soon as the terms of any substantial transaction are agreed, disclosing the information specified by **Schedule Four**.

#### Related party transactions

13. This rule applies to any transaction whatsoever with a **related party** which exceeds 5% in any of the **class tests**.

An **AIM company** must issue **notification** without delay as soon as the terms of a transaction with a **related party** are agreed disclosing:

- ◆ the information specified by **Schedule Four**;
- ◆ the name of the **related party** concerned and the nature and extent of their interest in the transaction; and
- ◆ a statement that with the exception of any **director** who is involved in the transaction as a **related party**, its **directors** consider, having consulted with its **nominated adviser**, that the terms of the transaction are fair and reasonable insofar as its **shareholders** are concerned.

#### Reverse take-overs

14. A reverse take-over is an acquisition or acquisitions in a twelve month period which for an **AIM company** would:

- ◆ exceed 100% in any of the **class tests**; or
- ◆ result in a fundamental change in its business, board or voting control; or
- ◆ in the case of an **investing company**, depart substantially from the **investing strategy** stated in its **admission document** or, where no **admission document** was produced on **admission**, depart substantially from the **investing strategy** stated in its pre-admission announcement or, depart substantially from the **investing strategy** stated in its circular published pursuant to rule 15.

Any agreement which would effect a reverse take-over must be:

- ◆ conditional on the consent of its **shareholders** being given in general meeting;
- ◆ **notified** without delay disclosing the information specified by **Schedule Four** and insofar as it is with a **related party**, the additional information required by rule 13; and
- ◆ accompanied by the publication of an **admission document** in respect of the proposed enlarged entity and convening the general meeting.

Where **shareholder** approval is given for the reverse take-over, trading in the **AIM securities** of the **AIM company** will be **cancelled**. If the enlarged entity seeks **admission**, it must make an application in the same manner as any other **applicant** applying for **admission** of its securities for the first time.

#### Disposals resulting in a fundamental change of business

15. Any disposal by an **AIM company** which, when aggregated with any other disposal or disposals over the previous twelve months, exceeds 75% in any of the **class tests**, is deemed to be a disposal resulting in a fundamental change of business and must be:

- ◆ conditional on the consent of its **shareholders** being given in general meeting;
- ◆ **notified** without delay disclosing the information specified by **Schedule Four** and insofar as it is with a **related party**, the additional information required by rule 13; and
- ◆ accompanied by the publication of a circular containing the information specified above and convening the general meeting.

Where the effect of the proposed disposal is to divest the **AIM company** of all, or substantially all, of its trading business activities the **AIM company** will, upon disposal, be treated as an **investing company**. The **notification** and circular containing the information specified by **Schedule Four** convening the general meeting must also state its **investing strategy** going forward.

Deleted: and t

The **AIM company** will then have to make an acquisition or acquisitions which constitute a reverse takeover under rule 14 [or otherwise implement the investing strategy approved at the general meeting to the satisfaction of the Exchange](#) within twelve months of having received the consent of its **shareholders**.

### Aggregation of transactions

16. Transactions completed during the twelve months prior to the date of the latest transaction must be aggregated with that transaction for the purpose of determining whether rules 12, 13, 14, 15 and/or 19 apply where:
- ◆ they are entered into by the **AIM company** with the same **person** or **persons** or their **families**;
  - ◆ they involve the acquisition or disposal of securities or an interest in one particular business; or
  - ◆ together they lead to a principal involvement in any business activity or activities which did not previously form a part of the **AIM company's** principal activities.

### Disclosure of miscellaneous information

17. An **AIM company** must issue **notification** without delay of:
- ◆ any **deals** by **directors** disclosing, insofar as it has such information, the information specified by [Schedule Five](#);
  - ◆ any **relevant changes** to any **significant shareholders**, disclosing, insofar as it has such information, the information specified by [Schedule Five](#);
  - ◆ the resignation, dismissal or appointment of any **director**, giving the date of such occurrence and for an appointment, the information specified by [Schedule Two paragraph \(g\)](#) and any shareholding in the company;
  - ◆ any change in its accounting reference date;
  - ◆ any change in its registered office address;
  - ◆ any change in its legal name;
  - ◆ any material change between its actual trading performance or financial condition and any profit forecast, estimate or projection included in the **admission document** or otherwise made public on its behalf;
  - ◆ any decision to make any payment in respect of its **AIM securities** specifying the net amount payable per security, the payment date and the **record date**;
  - ◆ the reason for the application for **admission** or **cancellation** of any **AIM securities**;
  - ◆ the occurrence and number of shares taken into and out of treasury, as specified by [Schedule Seven](#);
  - ◆ the resignation, dismissal or appointment of its **nominated adviser** or **broker**;
  - ◆ [any change in the website address at which the information required by rule 26 is available](#);
  - ◆ [any subsequent change to the details disclosed pursuant to sub-paragraphs \(iii\) to \(viii\) inclusive of Schedule Two, paragraph \(g\), whether originally disclosed at admission or subsequently](#);
  - ◆ [the admission to trading \(or cancellation from trading\) of the AIM securities on any other exchange or trading platform, where such admission or trading is at the application or agreement of the AIM company. This information must also be submitted separately to the Exchange.](#)

An **AIM company** must prepare a half-yearly report in respect of the six month period from the end of the financial period for which financial information has been disclosed in its **admission document** and at least every subsequent six months thereafter (apart from the final period of six months preceding its accounting reference date for its annual audited accounts). All such reports must be **notified** without delay and in any event not later than three months after the end of the relevant period.

The information contained in a half-yearly report must include at least a balance sheet, an income statement, a cash flow statement and must contain comparative figures for the corresponding period in the preceding financial year. Additionally the half-yearly report must be presented and prepared in a form consistent with that which will be adopted in the **AIM company's** annual accounts having regard to the accounting standards applicable to such annual accounts.

## Annual accounts

An **AIM company** incorporated in an **EEA country** must prepare and present these accounts in accordance with **International Accounting Standards**. Where, at the end of the relevant financial period, such company is not a parent company, it may prepare and present such financial information either in accordance with **International Accounting Standards** or in accordance with the accounting and company legislation and regulations that are applicable to that company due to its country of incorporation.

An **AIM company** incorporated in a **non-EEA country** must prepare and present these accounts in accordance with either:

- **International Accounting Standards;**
- US Generally Accepted Accounting Principles;
- Canadian Generally Accepted Accounting Principles; or
- Australian International Financial Reporting Standards (as issued by the Australian Accounting Standards Board).

The accounts produced in accordance with this rule must disclose any transaction with a **related party**, whether or not previously disclosed under these rules, where any of the **class tests** exceed 0.25% and must specify the identity of the **related party** and the consideration for the transaction.

In addition, the purchase or early redemption by an **AIM company** of its **AIM securities** or sale of any **AIM securities** held as **treasury shares** must not be made during a **close period**.

This rule will not apply, however, where such individuals have entered into a binding commitment prior to the **AIM company** being in such a **close period** where it was not reasonably foreseeable at the time such commitment was made that a **close period** was likely and provided that the commitment was **notified** at the time it was made.

The **Exchange** may permit a **director** or **applicable employee** of an **AIM company** to sell its **AIM securities** during a **close period** to alleviate severe personal hardship.

### The Turnover test

$$\frac{\text{Turnover attributable to the assets the subject of the transaction}}{\text{Turnover of the AIM company}} \times 100$$

### Figures to use for the Turnover test:

### Substitute Tests

In circumstances where the above tests produce anomalous results or where the tests are inappropriate to the sphere of activity of the **AIM company**, the **Exchange** may (except in the case of a transaction with a **related party**), disregard the calculation and substitute other relevant indicators of size, including industry specific tests. Only the **Exchange** can decide to disregard one or more of the **class tests**, or substitute another test.

## Part Two – Guidance Notes

### Eligibility for AIM

#### Rule 1: Nominated adviser

**Nominated advisers** must be approved by the **Exchange**. [A copy of the register of approved nominated advisers](#) is available on the **Exchange's** website, [www.londonstockexchange.com](http://www.londonstockexchange.com), [however the definitive copy is kept by the Exchange](#).

Deleted: The responsibilities of a **nominated adviser** are set out in rule 39.

Deleted: The

An **AIM company** can only retain the services of one **nominated adviser** at any one time.

[Where an AIM company needs to notify the loss of its nominated adviser it should first liaise with AIM Regulation \(telephone +44 \(0\)20 7797 4154\) so that where no replacement has been appointed the necessary suspension may be put in place to coincide with the notification.](#)

[Where a new nominated adviser is appointed a notification will be required under rule 17 and a new nominated adviser's declaration should be submitted to the Exchange pursuant to the AIM Rules for Nominated Advisers.](#)

### Applicants for AIM

#### Rule 2: Pre-admission announcements

Announcements should be sent by e-mail in the standard format to the **Exchange** at the following e-mail address: aimregulation@londonstockexchange.com.

The **Exchange** will arrange for their **notification** to **RNS**.

Announcements are disseminated publicly by **RNS** under the heading "**AIM**".

Any issuer may use the usual form of **admission** process for **AIM** involving a pre-admission announcement and an **AIM admission document** at any time. However, a **quoted applicant** may take advantage of this expedited route where it meets the relevant requirements.

The website (**notified** in accordance with paragraph (j) of the **supplement to Schedule One**) may also, to the extent permitted by law, contain other information which the issuer considers may be useful to investors.

#### Rule 3: Admission document

If at any time after an **admission document** is submitted and before the date of **admission** there arises or is noted any material new factor, mistake or inaccuracy relating to the information included in the **admission document**, a supplementary **admission document** must be submitted containing details of such new factor, mistake or inaccuracy in accordance with the relevant part(s) of **Schedule Two**. For the avoidance of doubt, if the **admission document** is a **Prospectus**, any supplementary document must comply with the **Prospectus Rules**.

The **admission document** may be made available publicly either at a physical location or on the Internet.

A **quoted applicant** must make the additional disclosures in its pre-admission announcement, which is required by rule 2 and the **Supplement to Schedule One**.

Where a **quoted applicant** is also making an offer to the public, whether in the United Kingdom and/or other jurisdictions, it should satisfy itself that there are no legal or regulatory requirements

outside these rules which compel it to produce any form of **prospectus**. Where there is a requirement for such a **prospectus**, this should be made available to the public under **Schedule One** as if it were an **admission document**.

#### **Rule 4: Omissions from admission documents**

Where an **admission document** is also a **prospectus** under the **Prospectus Rules**, application for such a derogation should be made to the United Kingdom Listing Authority (UKLA), which is the competent authority for the United Kingdom. The **Exchange** itself may not authorise exemptions from any legal requirement under the **Prospectus Rules**. The UKLA can be contacted through their dedicated help desk on +44 (0)20 7066 8333.

#### **Rule 5: Application documents**

The **application form**, payment of **AIM fees** and **nominated adviser's declaration** should be sent to Issuer Implementation, London Stock Exchange plc, 10 Paternoster Square, London EC4M 7LS [by the nominated adviser](#). The electronic version of the **admission document** should be sent to [issuerimplementation@londonstockexchange.com](mailto:issuerimplementation@londonstockexchange.com).

The **application form** and **nominated adviser's declaration** are available from the **Exchange's** website, [www.londonstockexchange.com](http://www.londonstockexchange.com).

The **nominated adviser** should liaise with **AIM** Regulation (telephone +44 (0)20 7797 4154) to confirm that any **admission** conditions have been met.

Under rule 33 **AIM securities** must be unconditionally allotted. The **Exchange** may require proof of allotment for any securities which are being issued on **admission**. A copy of the **applicant's** board minutes allocating such securities or confirmation from its **nominated adviser** will suffice in most cases.

Allotted includes provisionally allotted securities where such provisional allotments are unconditional. For example, nil paid rights must be allotted without condition (even if further action is required by the holders of provisional allotments to transform them into another class of securities such as fully paid shares).

#### **Rule 6: Admission to AIM**

Note also rules 32 and 33 (in respect of free transferability and allotment).

A **dealing notice** will be released through **RNS** under the heading "**AIM**".

#### **Special conditions for certain applicants**

##### **Rule 7: Lock-ins for new businesses**

To minimise the risk of parties to lock-in arrangements subsequently being deemed to constitute concert parties under the City Code on Takeovers and Mergers, **applicants** or their advisers may wish to consult the Panel on Takeovers and Mergers, 10 Paternoster Square, London EC4M 7LS (telephone +44 (0)20 7382 9026) prior to drafting any lock-in agreement.

The **Exchange** will not require a **substantial shareholder** to be the subject of a lock-in under rule 7 where that **shareholder** became a **substantial shareholder** at the time of an **AIM company's admission** and at a price which was more widely available, [for example as part of an offer to the public](#).

## Rule 8: Investing companies

An **investing company** should, as a minimum, seek the consent of its **shareholders** for its **investing strategy** on an annual basis.

The fundraising requirement of this rule does not apply when an **AIM company** becomes an **investing company** under rule 15.

## Rule 9: Other conditions

The **Exchange** can impose a delay of no more than 10 **business days** under rule 9. At the end of this period, the **nominated adviser** must decide whether and if so, when, to proceed.

## Principles of disclosure

### Rule 10: Principles of disclosure

Where it is proposed to announce at any meeting of **shareholders** information which might lead to substantial movement in the price of those securities, arrangements must be made for **notification** of that information so that the disclosure at the meeting is made no earlier than the time at which the information is **notified**.

A list of **Regulatory Information Service** providers can be found on the **Exchange's** website, [www.londonstockexchange.com](http://www.londonstockexchange.com).

## General disclosure of price sensitive information

### Rule 11: General disclosure

- (a) The requirements of rule 11 are in addition to any requirements regarding **notification** contained elsewhere in the rules.
- (b) An **AIM company** need not **notify** information about impending developments or matters in the course of negotiation and may give such information in confidence to the following category of recipient:
  - (i) the **AIM company's** advisers and advisers of any other **persons** involved or who may be involved in the development or matter in question;
  - (ii) **persons** with whom the **AIM company** is negotiating, or intends to negotiate, any commercial, financial or investment transaction (including prospective underwriters or places of its securities);
  - (iii) representatives of its employees or trades unions acting on their behalf; and
  - (iv) any government department, the Bank of England, the Competition Commission or any other statutory or regulatory body or authority.

The **AIM company** must be satisfied that such recipients of information are aware that they must not trade in its **AIM securities** before the relevant information has been **notified**.

- (c) However, if the **AIM company** has reason to believe that a breach of such confidence has occurred or is likely to occur and, in either case, the matter is such that knowledge of it would be likely to lead to substantial movement in the price of its **AIM securities**, it must without delay issue at least a warning **notification** to the effect that it expects shortly to release information regarding such matter.
- (d) Where such information has been made public the **AIM company** must **notify** that information without delay.

**Deleted: Note:** All existing **investing companies** admitted to **AIM** prior to 1 April 2005 which raised less than £3m on **admission** will have until 1 April 2006, to make an acquisition or acquisitions, which constitute a reverse takeover under rule 14. Where an **investing company** fails to make an acquisition or acquisitions which constitute a reverse takeover it may be suspended under rule 40. ¶

¶ Where, in the opinion of the **Exchange**, an **investing company** has as its primary business the investing of its funds in the securities of other companies, there shall be no requirement to make an acquisition or acquisitions that constitute a reverse takeover under rule 14 PROVIDED it has confirmed to the **Exchange** that it has substantially implemented its **investing strategy**. ¶

## Disclosure of corporate transactions

### Rules 12 and 13: Substantial and related party transactions

Note the definition of a substantial transaction is different from that of a **related party** transaction.

A transaction under this rule includes non pre-emptive issues of securities.

#### Rule 14: Reverse take-overs

The **admission document** must be made available to the public under rule 20 at either a physical location or on the Internet.

Following the announcement of a reverse takeover that has been agreed or is in contemplation, the relevant **AIM Securities** will be suspended by the **Exchange** until the **AIM company** has published an **admission document** in respect of the proposed enlarged entity unless the target is a **listed** company or another **AIM company**.

It should be noted that the **Exchange** expects the negotiations leading to a reverse takeover to be kept confidential, as allowed by the guidance to rule 11, until the point at which the **AIM company** can **notify** the entering into of a binding agreement that effects a reverse takeover, which should, as far as is possible, be accompanied by the publication of the requisite **admission document**. If for any reasons this is not possible, the **nominated adviser** should seek the advice of the **Exchange** at the earliest opportunity.

If the new entity wishes its securities to be **admitted**, it will need to issue a ten day announcement pursuant to rule 2. In addition, it will need to submit a further fee, an electronic version of its **admission document**, a **nominated adviser declaration** and a company **application form** at least three **business days** prior to **admission** pursuant to rule 5 and abide by all other requirements to which an **applicant** may be subject under these rules.

However, the new entity may make application in advance of the general meeting so that its securities are **admitted** on the day after the general meeting which approves the reverse takeover.

#### Rule 15: Disposals resulting in a fundamental change of business

The consent of **shareholders** for the disposal may not be required where the disposal is as a result of insolvency proceedings. An **AIM company** must nevertheless seek the consent of **shareholders** for its proposed **investing strategy**. The **Exchange** should be consulted in advance in such circumstances.

An **AIM company** will be considered an **investing company** from the date **shareholder** consent is given under this rule.

#### Rule 16: Aggregation of transactions

The **Exchange** will only consider that an **AIM company** has 'a principal involvement in any business activity or activities which did not previously form a part of the **AIM company's** principal activities' where collectively a **class test** for any twelve month period exceed 100%. In cases of doubt the **Exchange** should be consulted.

## Disclosure of miscellaneous information

### Rule 17: Miscellaneous information

**Deleted: Note:** Where an existing **AIM company** has no trading business and is not an **investing company** it must seek the consent of its **shareholders** for its **investing strategy** at its next annual general meeting. Upon becoming an **investing company** it must, within twelve months, make an acquisition or acquisitions constituting a reverse takeover. For the avoidance of doubt an **AIM company** will become an **investing company** under this measure from the date **shareholder** consent is given in general meeting.¶

**directors' holdings** are concerned. Note, though, the obligation on an **AIM company** under rule 17 to disclose such information without delay.

- (b) For UK registered companies compliance with sections 198 to 208 of the Companies Act 1985 provides a mechanism to assist in complying with rule 17 insofar as changes to the **holdings of significant shareholders** are concerned. Note, though, the obligation on an **AIM company** under rule 17 to disclose such information without delay.
- (c) The reason need only be brief, e.g. "exercise of options". Any changes in the number of shares in issue requires liaison with Issuer Implementation (telephone +44 (0)20 7797 1473) so that they can arrange for the appropriate **dealing notice** to be released.
- (d) Where an **AIM company** needs to **notify** the loss of its **nominated adviser** it should first liaise with AIM Regulation (telephone +44 (0)20 7797 4154) so that where no replacement **nominated adviser** has been appointed the necessary suspension pursuant to rule 1 may be put in place to coincide with the **notification**.
- (e) Where an **AIM company** changes its legal name it should send a copy of any change of name certificate to Issuer Implementation, London Stock Exchange plc, 10 Paternoster Square, London EC4M 7LS or by fax to +44 (0)20 7920 4607.

### Half-yearly reports and accounts

#### Rule 18 and 19: Half-yearly reports and accounts

Where the half yearly report has been audited it must contain a statement to this effect.

[In relation to rule 18, the financial period to which financial information has been disclosed in its admission document may be the financial period of the main trading subsidiary of the AIM company, for example, where the AIM company is a holding company. The nominated adviser should contact AIM Regulation if there is any uncertainty as to reporting timetable required by these rules.](#)

The **Exchange** will suspend **AIM companies** which are late in publishing their half-yearly statement or their annual accounts.

Where an **AIM company** wishes to change its accounting reference date its **nominated adviser** should contact **AIM Regulation** (telephone +44 (0)20 7797 4154) in advance to discuss the revised reporting timeframe.

The requirements set out in rule 19 in relation to an **AIM company** incorporated in an **EEA country** apply to financial periods commencing on or after 1 January 2007. For all periods prior to this, such an **AIM company** may prepare the accounts required under these rules in accordance with UK or US Generally Accepted Accounting Principles.

The **Exchange** would encourage all **AIM companies** to use **International Accounting Standards** both on **admission** and in the preparation of all post-admission financial information.

The choice of accounting standard should be consistently implemented and any change between those standards available to a particular **AIM company** should only be made with the prior approval of AIM Regulation.

In respect of each **AIM company**, the term 'parent' should be interpreted in accordance with applicable law. Any other queries over interpretation of these provisions should be addressed by an **AIM company's nominated adviser** to AIM Regulation at the earliest opportunity.

### Publication of documents sent to shareholders

## Rule 20: Documents sent to shareholders

“Any document” includes the annual audited accounts produced pursuant to rule 19.

Documents which are required to be publicly available under rule 20 may be made available at an Internet website or a physical location at the election of the **AIM company**.

An electronic version of any such document should be sent by e-mail to:  
aimregulation@londonstockexchange.com.

## Restrictions on dealings

### Rule 21: Restrictions on dealings

Note that any commitment under rule 21 must have been “binding” which means obligatory for all parties to the agreement at a price agreed or which could be objectively determined.

The “exceptional circumstances” in which the **Exchange** will grant permission for a **director** to sell **AIM securities** are limited to situations where severe personal hardship would otherwise result to a **director** or his immediate relatives such as the urgent need for a medical operation or to satisfy a court order where no other funds are reasonably available.

Where the **nominated adviser** to an **AIM company** feels that a proposed **deal** by a **director** of an **AIM company** should be exempted from the provisions of rule 21 it should contact **AIM Regulation** (telephone +44 (0)20 7797 4154) without delay to discuss.

## Provision and disclosure of information

### Rule 22

The **AIM Company** must use all due skill and care to ensure that information provided to the **Exchange** pursuant to this rule is correct, complete and not misleading.

If it comes to the subsequent attention of the **AIM company** that information provided does not meet this requirement, the **AIM company** should advise the **Exchange** as soon as practicable.

All communications between the **Exchange** and an **AIM company** are confidential to the **Exchange** and should not be disclosed without the consent of the **Exchange**, save to appropriate advisers to the **AIM company** or as required by any other regulatory body or agency.

## Corporate action timetables

### Rules 24 and 25: Corporate action timetables

Except in the case of a dividend timetable **notification**, the reference to ‘in advance’ in rule 24 means that the **Exchange** should receive the proposed timetable by no later than 09:00 on the **business day** before the proposed **notification**.

A dividend timetable which follows the guidelines set by the Dividend Procedure Timetable, published on the **Exchange’s** website, www.londonstockexchange.com, need not be disclosed to the **Exchange** in advance, provided the **notification** of the dividend includes:

- ◆ the net amount;
- ◆ the record and payment dates; and
- ◆ the availability of any scrip or DRIP options.

A **notification** is not required for interest payments, however, the **Exchange** must receive notice of any payment no later than seven **business days** prior to the **record date**. This notice must include:

- ◆ the appropriate net or gross amount;
- ◆ the record and payment dates; and
- ◆ any conversion period details.

Where fixed payment details are available the **AIM company** may use one timetable to inform the **Exchange** of all future payments, providing any amendments are disclosed to the **Exchange** immediately.

The timetable for an open offer must ensure that valid claims through the market can be promptly satisfied and must comply with the following:

- ◆ there must be a period of at least fifteen **business days** from the date of posting the **application forms** to **significant shareholders** (or from the date on which the existing securities were made 'ex' if that is earlier), until the close of the offer. The **business days** must exclude the 'ex' date but may include the application closing date where the time for closing is no earlier than 15:00. Where the 'ex' date is earlier than the date of posting, **application forms** must be posted not less than ten **business days** before the close of the offer; and
- ◆ where possible, the open offer **record date** should be the **business day** before the expected 'ex' date. A **record date** preceding the 'ex' date by more than six **business days** will only be approved in exceptional circumstances.

The **Exchange** may request amendments to a timetable for the purpose of maintaining orderly markets.

#### **Rule 26:**

All applicants and AIM companies will have until [being a 6 month period from the effective date of these new rules] to comply with this rule.

The information required by this rule should be on a specific and separate part of the relevant website, which makes clear that the information is being disclosed for the purposes of rule 26 of the AIM Rules for Companies.

Some of the requirements of this rule may be satisfied by directing persons accessing the information to specific sections of the **admission document**, where relevant.

The requirement to disclose restrictions on the transfer of shares relates to the disclosure of jurisdictional restrictions that may operate by virtue of non-UK securities laws such as the US Securities Act 1933 or similar (noting, however, the requirements of rule 32).

An **AIM company** should take appropriate legal advice as to how to make available any **prospectus, admission document, circular or similar shareholder publication in compliance** with this rule so as not to infringe any securities laws that may apply to it.

#### **Further issues of securities following admission**

## Rule 28: Omissions from admission documents

Where the further **admission document** is also a **Prospectus**, application for omission of information should be made to the United Kingdom Listing Authority (UKLA), which is the competent authority for the United Kingdom. The **Exchange** itself may not authorise exemptions from any legal requirement under the **Prospectus Rules**.

Where the further **admission document** is not a **Prospectus**, the information required under section 20 of **Annex I** may be omitted from the further **admission document** at the **nominated adviser's** discretion (in addition to the information listed in **Schedule Two, paragraph (b)**). The information covered by section 20 of **Annex I** (Financial Information) will already be available to the market in the event of further **admission** if the **AIM Company** has complied with these rules and therefore there is no need to duplicate that information in the further **admission document**.

## Rule 29: Applications for further issues

Under rule 33 **AIM securities** must be unconditionally allotted. Accordingly, the **Exchange** is likely to require proof of allotment for any securities which are being issued on **AIM**. A copy of the **AIM company's** board minutes allocating such securities or confirmation from its **nominated adviser** will suffice in most cases.

Allotted includes provisionally allotted securities where such provisional allotments are unconditional. For example, nil paid rights must be allotted without condition (even if further action is required by the holders of provisional allotments to transform them into another class of securities such as fully paid shares).

A **dealing notice** will be released via **RNS** under the heading "**AIM**".

Applications for **block admissions** should be indicated as such in the "Nature of Admission" section of the **application form**.

A **block admission** cannot be used where the securities to be issued under the **block admission** exceed more than 20% of the existing class of an **AIM security**. Additionally, **block admissions** can only be used in the following circumstances:

- ◆ employee share schemes;
- ◆ personal equity plans;
- ◆ dividend reinvestment plans;
- ◆ ordinary shares arising from the exercise of warrants; and
- ◆ ordinary shares arising from a class of convertible securities.

Where an **AIM company** wishes to use a **block admission** in circumstances outside of these it should contact **AIM Regulation** (telephone +44 (0)20 7797 4154) to discuss.

It is the responsibility of the **AIM company** to ascertain whether a **Prospectus** is required under any **block admission** and the issue of securities pursuant to a **block admission**.

## Rule 30: Language

Where the original documents or information is not in English an English translation may be provided.

### Deleted: Rule 31: Directors responsibility for compliance¶

¶ An **AIM company** must ensure that it has in place sufficient procedures, resources and controls to enable compliance with these rules.¶

¶ An **AIM company** must provide its **nominated adviser** with any information it requests in order to carry out its duties under these rules.¶

## Ongoing eligibility requirements

### Rule 33: Securities to be admitted

Any change in the number of **AIM securities** in issue requires liaison with Issuer Implementation (telephone +44 (0)20 7797 1473).

If an **AIM company** is preparing dividend timetables, undertaking any corporate actions or issuing new shares where there are settlement implications, its **nominated adviser** should contact Stock Situation Analysis (telephone +44 (0)20 7797 4225) for prior discussion of the timetable.

Confirmation of allotment must be received no later than 16:30 on the **business day** prior to the intended date of **admission** unless otherwise agreed by the **Exchange**.

### Rule 35: Retention of a broker

The **broker** will, for all **AIM companies** for which it acts, use its best endeavours to find matching business if there is no registered market maker.

Any **member firm** of the **Exchange** may act as a **broker** subject to any requisite authorisation by any other regulator.

A list of current **member firms** is available on the **Exchange's** website, [www.londonstockexchange.com](http://www.londonstockexchange.com).

There is also a separate list of **brokers** who have already been appointed by **AIM companies** on the **Exchange's** website.

### Rule 36: Settlement

The **Exchange** will grant derogations from the requirement to be eligible for electronic settlement in only the most exceptional circumstances such as where none of the current electronic systems can cope with settling the **AIM company's** securities or where its local law prohibits such settlement.

For UK registered companies a simplified procedure exists for rendering their securities eligible for such settlement under the Uncertified Securities Regulations 1995 (SI/3272).

Within the UK, issuers may wish to contact CRESTCo Ltd, 33 Cannon Street, London EC4M 5SB (telephone +44 (0)[845 9645 648](tel:+442078459645)).

### Rule 37: General

Details of fee scales for **AIM companies** and **nominated advisers** are published separately and are available from the **Exchange's** website.

## Maintenance of orderly markets

### Rule 41: Cancellation

An **AIM company** should state the reason for **cancellation** in its **notification**. [The Exchange should be informed of the intended cancellation by email from the nominated adviser to \[aimregulation@londonstockexchange.com\]\(mailto:aimregulation@londonstockexchange.com\).](mailto:aimregulation@londonstockexchange.com)

The period of 20 **business days** is a minimum. Where earlier communication is sent to **shareholders** convening such a meeting, an **AIM company** must **notify** that such meeting has

Where a new **nominated adviser** is appointed a **notification** will be required under rule 17 and a new **nominated adviser's declaration** should be submitted to the **Exchange** under rule 39.

been convened without delay. The **notification** should set out the preferred date of **cancellation**, the reasons for seeking the **cancellation**, a description of how **shareholders** will be able to effect transactions in the **AIM securities** once they have been **cancelled** and any other matter relevant to **shareholders** reaching an informed decision upon the issue of the **cancellation**.

For the avoidance of doubt, the threshold of 75% set out in this rule refers to the percentage of votes cast (rather than 75% of the class) in respect of each class of **AIM security**. Consent may be granted through **shareholders** voting in person or by proxy at a general meeting.

Circumstances where the **Exchange** might otherwise agree that **shareholder** consent in general meeting is not required would be where:

- (a) comparable dealing facilities such as upon an EU regulated market or **AIM Designated Market** are or will be put in place to enable **shareholders** to trade their **AIM securities** in the future; or
- (b) where, pursuant to a takeover which has become wholly unconditional, an offeror has received valid acceptances in excess of 75% of each class of **AIM securities**.

**Cancellation** will not take effect until at least 5 **business days** have passed since **shareholder** approval has been obtained and a **dealing notice** has been issued.

### Sanctions and appeals

### Supplement to Schedule One

[\(c\) A disclosure as to any breach should only be made after prior consultation with AIM Regulation.](#)

(d) Such documents or announcements must be made available for at least fourteen days following **admission**.

### Schedule Two

(a) If upon **admission**, a **Prospectus** is required (or voluntarily produced) in accordance with the **Prospectus Rules**, such **Prospectus** shall serve as the **admission document** provided it also includes the information required under **Schedule Two, paragraphs (c) – (k)**. The **Exchange** itself may not authorise exemptions from any legal requirement under the **Prospectus Rules** and therefore **Schedule Two, paragraph (b)** does not apply to **Prospectuses**.

The persons responsible for the information provided in the **admission document** are the same persons that would be responsible for the information contained in a **Prospectus** pursuant to the **Prospectus Rules**.

**Note:** The requirements of section 20 of Annex I may be satisfied (other than for a **Prospectus**) by the inclusion of an accountants' report in the **admission document** on the reported historical financial information.

Financial information provided in accordance with these rules must be presented with respect to the **applicant** and all its subsidiaries and should be in consolidated form when possible.

(b)(i) The information listed in this paragraph need only be included in an **admission document** to the extent it is required by these rules (in particular **Schedule Two, paragraph (k)**).

(b)(ii)

For financial periods commencing prior to 1 January 2007:

- the guidance to rules 18 and 19 apply for companies incorporated in an **EEA country** in that such financial information may be prepared in accordance with UK or US Generally Accepted Accounting Principles; and
- an **applicant** incorporated in a **non-EEA country** may also prepare such financial information in relation to the third-country issuer provisions comprising part of sub-section 20.1 of **Annex I** (i.e. taking into account the equivalency measures set out by the Commission for European Securities Regulators' draft technical guidance on third country equivalence, 05-230)

However, in each case regard must be had to that part of sub-section 20.1 of **Annex I** that states that the last two years audited historical financial information included in the **admission document** must be prepared in a form consistent to that which will be adopted in the **applicant's** next published annual statements, bearing in mind the ongoing requirements of rule 19.

(d)(iii) Where a **nominated adviser** gives the confirmation under this rule the **Exchange** would expect it to be founded upon an appropriate basis such as an accountants' report.

(g) Whilst **directors** are usually only required to disclose directorships held over the last five years, the requirements contained in (g)(iv)-(vii) which relate to bankruptcies, receiverships and liquidations are not limited to the last five years.

(k) When considering the information to be included pursuant to this paragraph consideration should be given to the relevance of any information specified in **Schedule Two, paragraph (b)**.
