# Introduction

London Stock Exchange PLC has over 20 years of experience as the UK's National Numbering Agency for assignment of International Securities Identification Numbers (ISINs) and Classification of Financial Instruments (CFIs) and was also endorsed by the Regulatory Oversight Committee (ROC) as a Local Operating Unit (LOU) for the global allocation of Legal Entity Identifiers (LEI) and are accredited by GLEIF [www.gleif.org](http://www.gleif.org)

The LEI codes will be issued and maintained via UnaVista, the London Stock Exchange Group's hosted matching and reconciliation platform

## Legal Entity Identifier (LEI) Solution Overview

The LEI solution enables you to **Request and Maintain your LEI** record/s including the ability to monitor your LEI Status, view your LEI details, add documentation and fulfil **Annual Renewal** obligations.

You can also submit 10 or more LEI requests using the **Bulk Request** functionality and renew 10 or more LEIs using the **Bulk Annual Renewal** feature.

Additionally, you can search the consolidated universe of LEI data, as well as challenge a LEI record under the responsibility of the London Stock Exchange if you believe the details to be incorrect.

- If Parent does not have a LEI yet, enter the full name of the Parent and complete all fields including address and registry details of the Parent. *(Alternatively apply for the Parent LEI, if required).*
- If a Parent does not exist or cannot be disclosed, choose 'N/A' from the drop down and complete the Exception Reason field.

Please see the LEI Level 2 Data

The screenshot shows the 'LEI Consolidated View' interface. On the left, there are navigation settings including 'Domain: Data Portal', 'View As: Stephen Munro', and a search bar with 'LEI' entered. Below this is a tree view showing 'LEI Consolidated Search' (1.46M), 'My LEI Data' (0), and 'LEI Bulk Request Information' (3). The main area displays a table of LEI records. The first record is selected, and the 'Challenge Record' button is highlighted. An 'Additional Field(s)' dialog box is open, showing fields for 'Reason', 'Effective Date', and 'Upload File'.
