Internal Weekend Testing Reminder – Saturday 13 October 2018

The purpose of this announcement is to remind customers that London Stock Exchange will be performing internal testing on the Millennium Exchange and TRADEcho Production environments on **Saturday 13 October 2018**.

Test market data messages may be disseminated via the Production MITCH and GTP channels on both the primary and secondary circuits. Additionally, intraday XLON Reference Data files may be produced. Customers are advised to disregard all messages and reference data updates disseminated during this weekend. Reference Data files should be downloaded from 4:00 am London time on Monday 15 October 2018 as normal.
