## London Stock Exchange 9.5.9 and Group Ticker Plant (GTP) 1.4.5 Next Functional Releases - Production Go-Live Monday 21 September 2020 Confirmation

---

Further to our communication [001/22072020](#), the purpose of this Service Announcement is to confirm that the production go-live of London Stock Exchange 9.5.9 and Group Ticker Plant (GTP) 1.4.5 next functional releases will be **Monday 21 September 2020**. Customers should ensure all systems are updated prior to go-live.

Customers should provide final readiness sign-off to their Technical Account Manager or the Technical Account Management team.

Customers are **not** required to delete their active orders at the end of trading on Friday 18 September 2020.

Updated London Stock Exchange Technical Specifications and a revised draft **Millennium Exchange and TRADEcho Business Parameters** can be found on the website, section "Next Functional Release", at <https://www.londonstockexchange.com/resources/trade-resources?tab=technical-library>

Details of the GTP 1.4.5 release are provided in the Production and CDS Release Notes, and updated GTP documents, that can be found on the Group Ticker website at the following location <https://www.lseg.com/areas-expertise/technology/group-technology/group-ticker-plant>.

Re-certification is not mandatory for those releases, but will be required if a software is modified to support the changes.
