TRADEcho Next Functional Release – Release 11

The purpose of this Service Announcement is to inform customers that the TRADEcho Customer Development Service (CDS) environment will be updated on **Friday 9 November 2018** with Release 11. The documentation has been updated on the London Stock Exchange website to reflect the changes. Updated documentation can be found under the 'TRADEcho – Next Functional Release' section at the link below:

<https://www.londonstockexchange.com/products-and-services/technical-library/millennium-exchange-technical-specifications/millennium-exchange-technical-specifications.htm>

As a result of the upgrade, the TRADEcho CDS environment will be in maintenance mode on 8 and 9 November 2018 and may become unavailable for customers.

Production go-live for Sprint 11 is scheduled for **Monday 3 December 2018** pending further internal testing and customer readiness.
