N15/15

New World Oil and Gas Plc – Restoration of trading

Introduction

1. Stock Exchange Notice N11/15 issued on 11 June 2015, informed market participants of the ongoing suspension of trading in New World Oil and Gas Plc (TIDM: NEW, ISIN: JE00B65FK239) under Rule 1510 of the Rules of the London Stock Exchange (“the Exchange”) due to the continued deterioration in settlement performance and the likelihood of any further transactions settling being low.

Settlement situation

2. Whilst trading in New World Oil and Gas Plc has been suspended, the Exchange has continued to monitor the settlement situation. The settlement situation has now improved, with settlement of outstanding trades occurring.

Restoration of trading

3. As a result of the above, the Exchange will restore New World Oil and Gas Plc to trading with effect from start of business on 17 July 2015. The Exchange will continue to closely monitor the settlement situation in New World Oil and Gas following its restoration to trading.
