# Notes to statistics

## Total turnover

The figures consist of customer and intra-market business. Customer business is that transacted on behalf of non-members and intra-market trades are between member firms when they are acting in a principal capacity. Turnover includes both purchase and sale orders.

## Market capitalisation at admission

Represents the number of shares issued multiplied by the issue price or opening admission price.

## Market capitalisation

The number of shares issued multiplied by the closing mid-price.

## Share price

The closing mid-price as shown in the Daily Official List.

## Market maker code
