Notes to statistics

Total turnover

The figures consist of customer and intra-market business. Customer business is that transacted on behalf of non-members and intra-market trades are between member firms when they are acting in a principal capacity. Turnover includes both purchase and sale orders.

Market capitalisation at admission

Represents the number of shares issued multiplied by the issue price or opening admission price.

Market capitalisation

The number of shares issued multiplied by the closing mid-price.

Share price

The closing mid-price as shown in the Daily Official List.
